

CONTROVERSIAL—This is the house that stops a street and divides opinion in Frankfort. The village started condemnation proceedings some months ago against the owner, Anna Mitchell, now of Crystal Lake. The case is scheduled for hearing sometime this spring. The action was taken because of an agreement reached with Arthur C. Bauch. He agreed to sell a site for a match factory if the village would agree to buy the Mitchell house, move or wreck it, and carry Kansas

street thru to White. For the past 50 years, it is said, traffic has been joggling to the north there and using railroad property to White street. If the village has enough money to carry thru on the street deal and also enlarge the present fire house so all of the fire equipment will be accommodated, the fire department members are ready to give the project its blessing. But if there is only money enough available for one thing, then the firemen plump for the firehouse. (M. Smith photo)

New Fire House

Mokena Department Lets Contracts

Contracts have been let for construction of the Mokena Community Volunteer fire department's engine house and work will begin as soon as ground and weather conditions are suitable.

Eric G. Book, president of the fire department, announced that the masonry contract has been awarded to Erwin D. Friant and Donald Bergman, who submitted a joint bid. The carpentry contract was let to James Horras and James Walsh, Mokena contractors.

Friant and Bergman moved some machinery to the site yesterday. The fire engine house will be on Front street and have a 60 foot frontage. The roof will be of concrete blocks with a brick front. The roof will be of the low gable type so the building will conform with others in the neighborhood. The building will be located on the south side of Front street near Midland ave.

The work required to complete the interior of the station will be done by members of the department. Other donations of labor and material have been pledged. Carroll Roberts is chairman of the building committee.

Walter Muehler, chairman of the finance committee, reports that approximately \$5,000 has been subscribed to the building fund to date but that is less than a third of the estimated cost.

The goal set was \$18,000. Contributions are still coming in, Mr. Muehler said, but contacts have not been made with all residents of the area served by the department. Weather conditions have been such that the fund drive has suffered, it was pointed out. With the worst of winter past—it is hoped—firemen expect to complete their calls on residents in the near future.

Those in charge of the drive are asking people to donate as much as possible and request those who have already signed pledges to get the payments in on time. People may make their contributions in installments over a three month period. The engine house, it was pointed out, is a necessity if the area is to have proper fire protection. Last summer the department put a tank rig into service. It carries additional water to supply the pump at fires where there are no hydrants. This additional water supply is an important item in suburban areas and without it many homes could be lost.

There is no room for this tanker at the village hall and since it had to be left outside during the winter months the rig had to be kept empty and only filled when needed. This occasioned some delays in answering calls and as a result property losses were higher.

Frankfort fire department is confronted with the same situation and is hopeful of getting an addition to the present fire house so its tank rig will be available regardless of temperature.

When Hall was picked up by Mokena Police Officer Joseph Heim and Corp. Michael Frankovich and Trooper Ben Covey of the state police, he told of hitchhiking a ride from Plainfield Feb. 12. The driver, Hall is quoted as saying, left him and the keys inside the car while he went into a tavern.

Hall proceeded to drive the car to Mokena. Armin told Nicholas J. Foranango, chief investigator of the state's attorney's office at Joliet that he encountered Hall in the car and when the latter said he had stolen it, Armin told him where to hide it, and acted as guide. Armin was accompanied by Tomaska.

When first questioned Armin denied any participation in the stripping but late Wednesday afternoon, state police said, he admitted taking the engine and installing it in his own car. He was aided in this, according to the state.

Move Rapidly

New Lenox Nazarenes Plan Church

Within a month after the first meeting, a Nazarene church congregation has been organized at New Lenox, a board elected, a site chosen for a church building and a pastor appointed.

Site for the new church is a corner lot, 128 by 255 feet, at N. Cedar road and Wood st. It is planned that a tri-level building, 32 by 54 feet, at a cost of approximately \$40,000, will be built as soon as possible.

Plans call for a three story educational unit, a sanctuary, Sunday school rooms and a parsonage.

The pastor is the Rev. C. Doyle Baker. He was appointed by the Rev. Mark Moore, district superintendent, to direct the new work. The Rev. Mr. Doyle was born at Lafayette, Ind., and was graduated from Frankfort college at Frankfort, Ind. Later he was appointed an elder in the Church of the Nazarene and has served as an assistant pastor at the Lafayette church. The Rev. Mr. Moore has spent five years in Evangelistic work and has been in church extension since 1950. He has spearheaded and built Nazarene churches in Frankfort and Monticello, Ind., and is now a senior at Olivet Nazarene college at Bourbonnais. His wife, Ruth, is a musician, and will be able to aid in organizing a choir. The Bakers are now living in Kankakee, but plan to move to New Lenox after commencement in June.

The first church service by the Nazarene in New Lenox was held in the Lions Den on Jan. 23. This mission work was initiated by the Rev. Dallas Mucci, and his congregation of the Tinley Park Nazarene church. The Rev. Mr. Mucci has been conducting the services at New Lenox but now the new pastor will take over.

Services and Sunday school will be held at the Lions Den until the new church is built. At an organization meeting last Thursday night, Feb. 19, the following officers were

chosen: Ronald Smith, treasurer; James Pate and Lawrence Crawford, building committee; Mrs. Ramon Richards, secretary; Ramon Richards, Sunday school superintendent; Eleanor Pester, S. S. secretary; Mrs. Lawrence Crawford, S. S. treasurer; Mrs. Ronald Smith, subscription representative of Herald of Holiness; Mrs. William Pester, president of the Women's Missionary Society.

As a denomination the Nazarenes are only 50 years old. There are now 300,000 members in the continental United States and in 1958 this group raised more than \$40,000,000 for church work. The Nazarene is a tithing church and the amount collected last year represents a per capita giving of \$133. Eight per cent of this money was spent on foreign missions. By 1960, it was stated, 50 more missionaries will be sent to the foreign fields.

The Nazarene started 232 new churches in 1958, or two every three days.

Speech Contest

Toastmasters Compete for Honors

Five south suburban residents will compete for honors in the local annual speech contest sponsored by Toastmasters International.

The speakers, who were chosen in club elimination contests, will represent Toastmasters' clubs in Chicago Heights, Harvey, Homewood-Flossmoor, Park Forest and Tinley Park.

They are Wm. Shroyer, 402 W. 15 st., Chicago Heights; John Tienstra, 16020 Myrtle, av Harvey; James Regan, of 2101 Vardon Lane, Flossmoor; Robert Stephens, of 403 Wilshire, Park Forest, and William

Houle, of 6649 Ravinia St., Tinley Park.

The area contests will be held at Saenger Ballroom, 171st st. near Oak Park ave., Tinley Park, March 7. The affair, to which members' wives also are invited, will be a dinner meeting, starting at 7 p.m.

Contest chairman is Roland Hosking, of 17342 64th Court, Tinley Park, secretary of the Tinley Park club.

The winner of the area contest will be eligible to compete in the district contest May 9 at the Palmer House, Chicago. Subsequent elimination contests leading to the

international finals at the organization's annual meeting in San Francisco in August are the zone competition June 30 at the Belmont Hotel, Chicago, and the regional competition, also at the annual meeting in San Francisco.

Toastmasters International is a non-profit educational organization devoted to helping members improve their ability to speak in public, conduct public meetings, and develop executive potential as a means of increasing their usefulness in business, social and civic relationships.

Ticket chairman is Tom Racine, 6601 Glenview drive, Tinley Park, Kellogg 2-2282.

Orland Gets Sewage Plant

Trace Stolen Car to Mokena; Question Five

Five from Mokena were rounded up by village and state police Tuesday night in connection with an auto theft near Plainfield.

The car was brought to Mokena, hidden in a patch of timber on the north side of Francis road about half a mile east of the Wabash tracks and there stripped until only the body is left.

Besides the five taken into custody Tuesday, Mokena police were looking for three others last night who are alleged to have taken part in the stripping operation.

Jack Armin, 20, who only recently was released from the Will county jail for having run down and injured a deputy sheriff with his car last year, and Warren (Mouse) Tomaska, 22, are alleged to have admitted their part in the thefts, according to state police. And Armin was quoted as saying that eight or nine carried off parts from the car.

Armin and Tomaska were still locked up in the county jail last night. Two others who are alleged to have admitted taking a couple of tires and wheels, are out on bonds of \$2,000 each. They are Owen Bosard, 20, and Jerry Chamberlin, 20.

The lad who is alleged to have stolen the car and brought it to Mokena is David Hall, 15. Police say this is the second time Hall has been involved in an auto theft.

When Hall was picked up by Mokena Police Officer Joseph Heim and Corp. Michael Frankovich and Trooper Ben Covey of the state police, he told of hitchhiking a ride from Plainfield Feb. 12. The driver, Hall is quoted as saying, left him and the keys inside the car while he went into a tavern.

Hall proceeded to drive the car to Mokena. Armin told Nicholas J. Foranango, chief investigator of the state's attorney's office at Joliet that he encountered Hall in the car and when the latter said he had stolen it, Armin told him where to hide it, and acted as guide. Armin was accompanied by Tomaska.

When first questioned Armin denied any participation in the stripping but late Wednesday afternoon, state police said, he admitted taking the engine and installing it in his own car. He was aided in this, according to the state.

(Continued to page 8)

Orland C. of C. To Honor Staff, Carl Bormet

John R. Keck, executive vice president of the Joliet Association of Commerce, will be the guest speaker tonight at the annual dinner of the Orland Park Chamber of Commerce. The dinner will be served at 7 o'clock at Silver Lake Golf club and will also be a testimonial banquet to honor Carl Bormet, one of Orland township's leading citizens and highway commissioner.

Mr. Keck and his assistant A. J. Collins of the Joliet A. C., helped to organize the Orland Park Chamber a year ago and has a natural interest in its progress.

The subject of his talk will be, "The Importance of a Chamber of Commerce in a Community."

Miss Merrily Schuessler, daughter of the Chamber's new president, Dr. E. W. Schuessler, a professional singer, will be one of the entertainers. Also on the program will be a group of marimba players from Chicago.

Mr. Keck will install Dr. Schuessler and the new vice president, Raymond Shank Placques will be presented to the retiring officers, Roy Benson, president, and Robert Johnson, vice president.

A special gift will be presented to Mr. Bormet.

Metropolitan San. Dist. Opens Bids; Lowest Figure is \$269,033

(CNS)—Metropolitan Sanitary District has opened 11 bids for construction of a sewage treatment works in Orland Park.

The apparent low bid of \$269,033 was submitted by Paschen Contractors Inc., Chicago. Bids are to be tabulated and a contract may be awarded at the district's next meeting, March 5.

Construction most likely won't start, however, until April when the weather turns better, said Horace P. Ramey, chief engineer. The project is listed as a six-month construction job, said Frank W. Chesrow, district president.

The Orland Park treatment works is designed to handle initially a population of 8,000. The design is expandable to serve double that capacity.

It will be erected on a 9-acre tract on the east side of the Wabash railroad at about 146th street. The north end of the property contains an oxidation pond, that serves the homes in Orland Hills housing development.

The developers installed sewer lines at the beginning of the project and other subdividers that come into the village will have to put them in. A system of laterals will be designed to serve the remainder of the village.

Orland Park, like other villages in the suburbs, has depended on septic tanks in the past but the population has increased to a point now where septic tanks are inadequate.

The treatment plant to be erected by the sanitary district will serve the entire community of Orland Park.

Funeral Rites For J. H. Hoyt Held at N. Lenox

Last rites were held Saturday, Feb. 21, in the Baskerville chapel, New Lenox, for John H. Hoyt, 52, who died in his home, 442 Francis road, New Lenox, after a lingering illness. He had been engaged in farming all his life in LaGrange, Downers Grove and Lemont. The Rev. Alfred H. Hunter, pastor of the New Lenox Methodist church officiated. Interment was in Mt. Vernon Memorial Park, Lemont.

Surviving are his wife Margaret M.; five daughters, Mrs. Donald Cappel, Frankfort; Mary, Martha, Ruth Ann and Sally; five sons, William, Harold, Richard, Robert and Wayne; a grandson; his mother, Mrs. John Hoyt Sr., Lemont; a sister, Mrs. R. J. Styan and two brothers, Kenneth and Alfred.

KATHERINE OLSON plays the part of Mary Lou, female lead in "He's Gone Away," original musical, parts of which will be presented in the concert of the Dakota Wesleyan University choir in its concert at the Carl Sandburg High school, Orland Park, Sunday, March 8, at 3 p.m. A soloist with the choir, Miss Olson's home town is Watertown, South Dakota.

"He's Gone Away" was written by members of the staff at Dakota Wesleyan. It is the story of early Dakota settlers, their joys and their sorrows. The 60-voice choir will also sing numbers by the choral masters and modern composers. A group of spirituals will be included in the program.

Orland Grade School Students Rate High in Achievement Test

Students in grades 3 thru 8 at the Orland Park Elementary school were given standardized achievement tests which covered skills taught in school.

Supt. Norbert Jerling reported the results of the testing program were encouraging in that, as an average, the students scored higher than average scores made by all 74,000 students tested in various parts of the United States.

Results ranked students on a percentile basis. That is to say that if a student scored to the 50th percentile this would mean that fifty (50) students scored lower than he and fifty (50) scored as well or higher.

All tested skills were high, reading to the 84th percentile; language skills, which included punctuation, spelling capitalization and usage of English were to the 87th per-

centile; work study skills which included map reading, reading graphs and tables, knowledge and use of reference materials were to the 73rd percentile; arithmetic skills which included arithmetic concepts and arithmetic problem solving were to the 79th percentile.

The average scores for the school ranked at the 81st percentile, meaning that 81% of the pupils scored lower than the students at the Orland school and 19% scored as well or better than the students at the Orland school.

It is believed that the higher scores in reading and language skills can be explained because a greater emphasis has been in the teaching of these subjects for the past two years. This speaks well for the new "ability grouping" program of reading adopted by the Orland school this year.

Andrew Corp. To Expand Plant At Orland Park

C. Russell Cox, vice president and general manager of Andrew Corporation, recently announced that building contracts have been issued for a second addition to their Orland Park plant located at 10500 W. 153rd St. This 46,000 square foot addition will increase the manufacturing area to 100,800 square feet and provide an additional 9,400 square feet for engineering laboratories and 13,000 square feet of office space. Work on the new addition is to start as soon as weather permits, with anticipated completion by December, 1959.

Andrew Corporation is engaged in the design and manufacture of antennas, antenna systems, and transmission lines for civilian and military lines for civilian and military application. With the completion of this new addition, the company's sales, purchasing, accounting and executive offices will move from their present location at 363 East 75th St., Chicago, and all Chicago area operations will be consolidated under one roof.

The original Orland Park plant building and additions were designed by the architectural firm of Anderson-Novak of Chicago. The two-story office structure will feature strong vertical lines of aluminum, with panels of gray glass and mosaic tile. The main entrance and drive is protected by a canopy roof structure. A variety of interior colors, material and lighting will be used to make office and shop areas attractive and inviting. Ample hard surface parking areas for employees and visitors will be provided adjacent to the building.

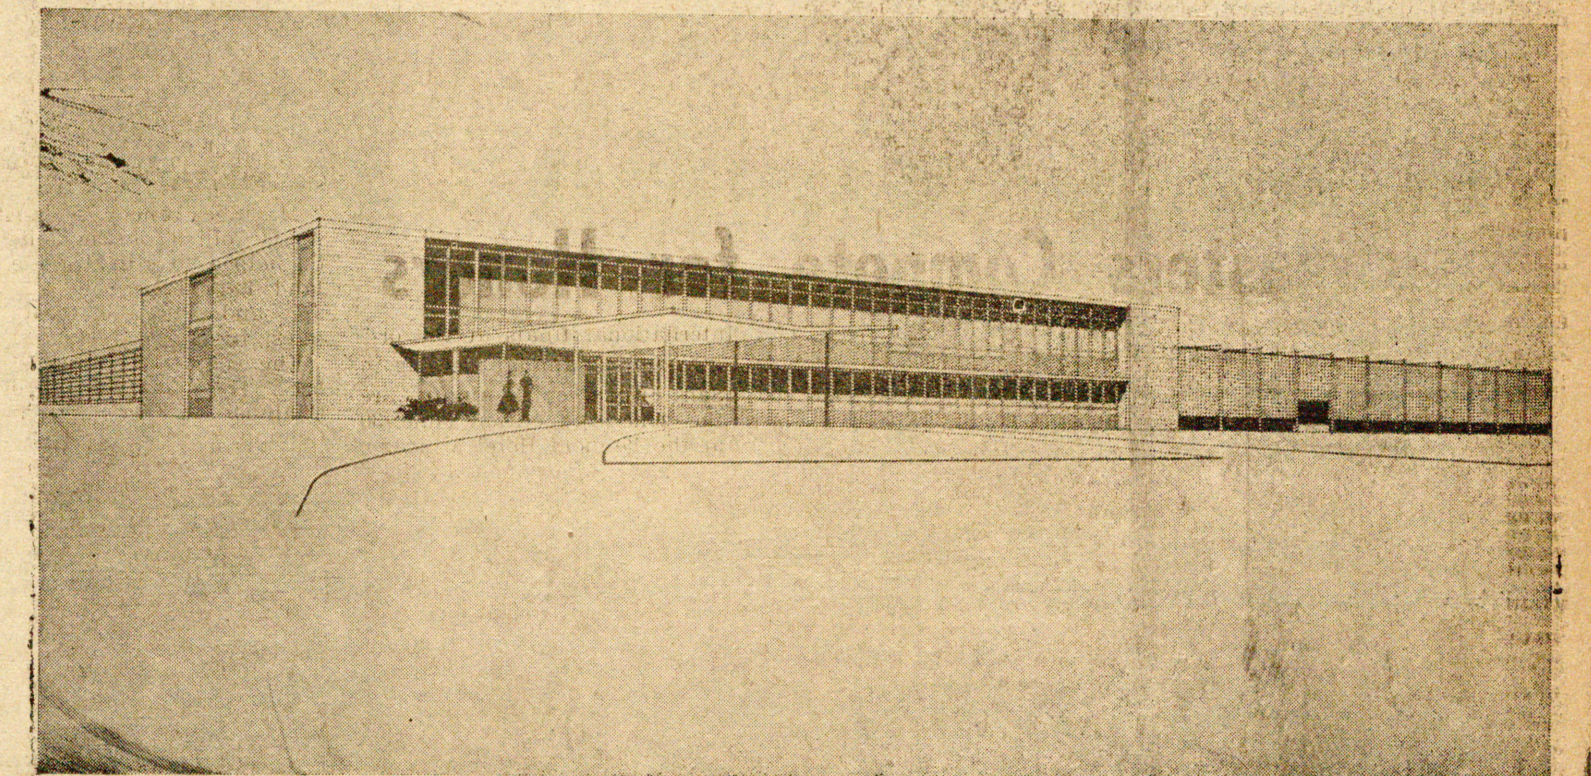

Contracts have been awarded to Mercury Builders, general contractor, Hansell-Elock Company for structural steel, Cowan Excavating for grading, O. A. Wendt Company for heating, World Plumbing Company for the plumbing and Hultgren Electric Company for the electrical work.

School Village Officials to be Elected in April

Local elections will be held in April with town elections on Tuesday, April 7, school elections on Saturday, April 11 and village elections on Tuesday, April 21.

February 25 is the first day for filing petitions for candidates to seven-member school boards and March 21 is the last day for filing.

The last day for filing petitions for candidates to village offices is March 2.

ARCHITECT'S DRAWING—of an addition to the Andrew Corp. it will provide an additional 9,400 square feet for engineering laboratories and 13,000 square feet of office space. It is expected 46,000 square feet. This is the second addition to the plant and the building will be completed by December, 1959.

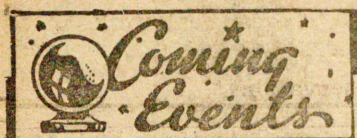

MISS MERRILY SCHUESSLER, lyric soprano will sing tonight at the annual dinner of the Orland Park Chamber of Commerce which is to be held at Silver Lake Country club. She is the daughter of Dr. and Mrs. E. W. Schuessler, Orland Park Hills. A graduate of the American Conservatory of Music, Miss Schuessler has been singing professionally thruout the country. Week before last she became a finalist in the regional auditions conducted by the Metropolitan Opera Company at Chicago. Her father is the new president of the Orland Chamber of Commerce.

Thieves Get \$300 at Store

Thieves, who apparently knew just where to look for the money, broke in at the Park and Shop food market on Wolf rd., Mokena, sometime early Sunday morning and stole approximately \$300 in cash.

The burglars apparently did not attempt to be silent in their work. Instead they battered their way thru the glass front, went to the boxes where the money was kept and went out the way they came in, thru a hole.

The money was on hand to provide change for the opening of business on Sunday morning. No damage was done to the cash registers.

Thurs. Feb. 26—Hat sale, Tinley Park Methodist church, 10:30 am. to 7:30 pm. Smorgasbord 11:30 to 1:30 by WSCS.

Thurs. Feb. 26—Blue and Gold Cub Scout banquet, St. John's church, Mokena, 7 pm.

Fri. Feb. 27—Bake sale, at Vogt's Shopping Center, Tinley Park, by Zion Lutheran Ladies Aid.

Sat. Feb. 28—Bakery sale, Cooper and Hostert, Mokena, by WSCS, 2 pm.

Fri. March 6—Tibbar Rabbit Breeders Assn., American Legion hall, Tinley, 8 pm.

Sat. March 7—Bakery sale Richardson's Meat Market, Mokena, by Ruth Society, Emanuel Luth. church.

Sat. March 7—Bakery sale, Reims Hardware, New Lenox, by Woman's League of Trinity Luth. church.

Sat. March 7—Breakfast, 7 a. m., Frankfort Methodist church Bake sale, hat sale all day; lunch at noon by WSCS.

Fri. March 13—Spring Fashion show, Orland Center school, 151st and 94th ave., Orland Park, by the Mother's club, 7:30 pm.

Sun. Mar. 15—Lenten cantata, "The Seven Last Words," Tinley Park Methodist church at 4 pm.

Sat. March 28—Annual Easter bakery sale, Cooper and Hostert garage, 2 pm, by Mokena WSCS.

Fri. & Sat., April 10 and 11—Minstrel show, Mokena public school, Carpenter st., 8:30 pm. by Amvet's Aux.

Some forms of heart disease now can be prevented, some cured and almost all helped with proper treatment after early diagnosis, according to the Chicago Heart Association.

Sandburg, Lincoln-Way in Contest

Carl Sandburg High school speech students won second place in the Illinois High School association district speech contest held Saturday at Thornton-Fractional (South) High school. Lincoln-Way High school placed fifth in the district contest held at Mendota High school.

Competing with 14 other schools, Sandburg's total of 29 points was second only to the 32 marks gained by the host school. Sandburg qualified for all but two of the individual events for the sectional contest which will be

held at Aurora (West) High school March 14.

Bringing home top honors for Sandburg were Sheila Sundquist and John Bailou. Sheila was awarded first place in comedy reading and a second in original oration. John's first place came in original monologue.

Second place winners were Dick Searles in radio speaking, Linda Peerson in serious reading and Glen Proctor in extemporaneous verse reading. John Kunz won a third place in extemporaneous speaking. The one act play tied for fourth place in the

dramatics festival.

The debate team did not participate Saturday, but will compete in the sectional contest March 7 to be held at Aurora (West). Coaching the speech students are Mrs. Joan Renie, Mrs. Dolores Klocke, Mr. William Jacoby and Mr. Donald Steinhart.

Albert Krusemark of Frankfort was awarded first place in extemporaneous speaking and third place in oratorical declamation.

Leslie Ekedahl of New Lenox won fourth in comedy reading and Pat Loucke of Mokena fifth in serious reading.

Plan Start of New School Addition In Early Summer

According to schedule, plans and specifications for the new addition to the Lincoln-Way high school of New Lenox will be sent out to contractors for bids by April 28.

Architects and engineers, Childs and Smith of Chicago, anticipate having the working drawings of the addition in the office of the school board and finished by April 18. If this deadline is met that will insure the letting of bids on the 28th.

A. Hunter Chapman, Lincoln-Way's principal, reports "The project is moving toward an early summer ground breaking. That is what we need."

Plan Groups in Will Co. Form Association

Planning commissions from various communities in the eastern section of Will county have organized as the Will County Association for the purpose of pooling ideas on zoning and matters pertaining to village growth and development.

"Our aim," said Maurice Angland, chairman of the Mokena plan commission and named as temporary chairman of the Will County Association, "is to work for the greatest good for the greatest number."

The Association has no political aims or interests it was stressed, but is formed to coordinate suburban planning and zoning.

The organization meeting was held Monday night in the home of Robert Kuchenbecker at Mokena. Two representatives were present from each of the six communities that make up the group to date that part of Park Forest in Will county, Crete, Monee, Richton, Peotone and Mokena.

All villages in Will county are invited to join the Association. By pooling their efforts, it was pointed out, villages could adopt a uniform program covering housing and industrial developments so that developers could not play one against another.

Will County Dairymen Hold Annual Meeting

The tenth annual meeting and banquet of Will County Dairy Service will be held March 5, at the Frankfort Methodist church. Family-style chicken will be served by the ladies of the church at 7:30 p.m.

Professor Jerry Cash, University of Illinois Dairy Extensionist will review the last ten years of dairying in Will county and tell what lies ahead.

Anyone interested in dairying is invited to this meeting, especially wives.

Tickets may be obtained from board members: Leonard Brands, Beecher; Ray Bernard, Mokena; Irvin Holm, Mokena; Les Leighty, Monee; and Elmer Roemer, Manhattan. Tickets may also be obtained from testers: Richard Schellhase, Mokena; and Earl Yunker, Plainfield; and from breeding technicians: Carl Weas and Ken Swanson. The Farm Adviser's office also has a supply.

2 Seek Highway Commissioner Post in Frankfort Twp.

There are two candidates for the office of highway commissioner for Frankfort township: Walter Welsch, of the Welsch Lumber and Hardware company and Walter Yunker, Trucking business and son of the late Henry Yunker, highway commissioner of Frankfort township for several terms.

Mokena C. of C. Members Hold Annual Dinner

Most of the membership was present Sunday evening at the Barn at Valley View restaurant when the annual party was held for members of the Mokena Chamber of Commerce and their wives.

Following a cocktail party and dinner, James Surovick, the new president, introduced Wayne Swanberg, the young musician who had furnished the organ music during the dinner. He received a loud applause for his excellent rendition.

New members introduced by the president were: Abe and Ralph Ordman and their wives owners of the new Park and Shop store; Dr. and Mrs. P. T. Demus; Will Tuttle and wife; Donald Clegg and wife and Marvin Smith and wife.

White carnation with a red rose bud corsages were furnished each lady present by the Ordman's.

President Surovick led group singing among which were village officials who were present. Charles Swanberg, vice president, presented a short program assisted by Everett Cooper which consisted of short snappy stories.

Trailer Camp Case Hearing Set for Friday

(CNS) A hearing is scheduled Friday for testimony from those favoring establishment of a trailer camp on 40 acres of vacant land on the south side of 159th street between 90th and 94th avenues in Orland township.

Owners of the property are putting in their case in which they seek to upset the County Board's refusal to rezone the tract, now classified as a farming district.

At a hearing earlier this month before Jacob Shamberger master in chancery, ownership of the property was proved up. The witness was Harold Jones, one of the beneficiaries of the trust that holds the property. The First National Bank of Blue Island is trustee of the trust.

The suit, filed in May, 1958, by Attorney Robert E. Haskins, seeks to have the property classified as a business district and an order permitting establishment of a trailer park.

Richard Houpt, assistant state's attorney, is opposing the litigation on behalf of the county.

New Lenox Phone Customers Can Pay Bills in Village

The New Lenox Lumber and Hardware Company will accept payments for telephone bills at New Lenox, beginning March 1, according to the telephone company manager, Miss Jane Voltz. The firm's office is at 308 N. Cedar rd.

Telephone bills of New Lenox customers may be paid there during the regular hours of the lumber firm, 7:30 a.m. to 5 p.m. daily and 7:30 to noon on Saturday.

Establishing convenient locations to allow telephone users to pay their bills in person has long been a policy of Illinois Bell, Miss Voltz said.

Those who wish to pay by mail, Miss Voltz said, may send their payments to the Illinois Bell Telephone Company business office at 901 State st., Lockport, Ill.

Editor Campbell of Iron Age anticipates that more than 110 million tons of steel ingots will be poured this year, and that the figure could reach 115 million. If so, 1959 will be the third best year in the industry's history, following 1955 and 1956. Last year's output was down to 85 million tons.

300 Attend PTA Family Night At New Lenox

Nearly 300 persons attended the annual family night last Friday, sponsored by the New Lenox PTA held in the Haven school. A talent show was given in the afternoon and again in the evening with Ted Ostrem and Ron Batzsch from WJOL assisting.

In charge of the show were Mrs. June Pearson, Milton Mojzis and Robert Farner. In the afternoon show winners were: first, Darlene Minuth, acrobatic dancing; second, Sandra Pearson, ballet and third, pantomine group consisting of Dickie Konopack, Diane Alexander, Laura Brown, Raymond Sabec, Cheryl Owens, Mary Gordon, Helen Sims and Carol Slick.

For the evening show, winners were: first Pam Clark, baton; second, Linda Shreffler, pantomine and third, Darlene Kokal and Jan Neals. About 50 children participated. Judges were, Mrs. Francis Metz, Mrs. John Anderson and Ron Crisman.

In charge of the game room were, Mrs. D. L. White, Mrs. LeRoy Keller, Mrs. Doris Luce, Mrs. William DeLine and Michael Bruggeman.

Supt. John Oster was in charge of the movies; Mrs. Roy Minger, Warren Hair, Roy Bell and James Samson were in charge of refreshments; the Thrift Shop was manned by Mrs. Dale Krohn, Mrs. Irene Rasmussen and Mrs. Eileen Nolan; Mrs. Betty Dunn handled the tickets and P. C. Luce was master of ceremonies.

The members of the PTA volleyball team, determined to make a better showing than last year when they were defeated by the daughters, practiced all year and were rewarded by being the winners this year, in the game between the mothers and daughters.

The refreshment stand sold out of everything including 300 ice cream cones. Everyone had a good time and because of the success of the affair, many are expressing the opinion that it should be held again next year.

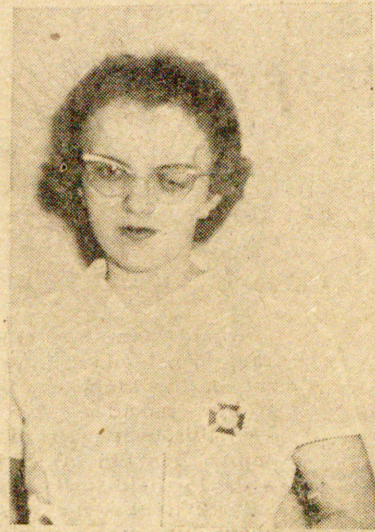

Volunteers Hold Carnival for Hospital Patients

The patients at the Tinley Park State hospital will enjoy a simulated carnival from 1 to 4 p. m. in the hospital today.

The event has been planned by 14 volunteers under the direction of Mrs. Alma Young, activity therapies supervisor at the hospital.

Prizes which the patients will receive for various games have been made by the patients themselves. The refreshments will have a carnival flavor, with popcorn and other tidbits being served.

Always pull completely off the highway when you stop to change a tire, says the Motor Club. If there isn't enough room on the shoulder, move on slowly. It's better to ruin a tire than lose a life.

MISS CAROLE CROUSE—daughter of Mr. and Mrs. Merrill Crouse, 712 Ogden rd., New Lenox, has received her freshman cap from Silver Cross Hospital School of Nursing, Joliet. She is a graduate of Lincoln-Way high school where she was president of the Future Nurses club in her senior year, having served as treasurer in her junior year. She also belonged to the Future Homemakers of America and the History and Phi-Cheta clubs.

Children's Choir Being Formed at Episcopal Church

A children's choir is now in process of being formed at St. Boniface Episcopal church, Tinley Park. Volunteers are needed in all voice ranges and persons interested in joining are asked to call Mrs. Robert Rawson at Kellogg 2-4197.

Rehearsals are held on Thursdays at 7:30 pm. and all children will be picked up and brought home to insure their safety.

THE POET

Carson Pirie Scott and company will feature a Victorian table setting designed by a team of students from the Creative Cookery classes of Carl Sandburg high school.

Twelve Chicago area schools have been invited to participate in the exhibit sponsored by Seventeen magazine. Representatives from each school drew for the kind of table setting to be designed.

Interested persons may see the Sandburg entry on the sixth floor of the State Street store during business hours from March 2nd to March 7th. The team consists of:

Joan Smith, daughter of J. Smith, 115 ave. 159th St., Orland Park; Beverly Sleep, daughter of F. Sleep, 7330 W. 109th Place, Worth;

Norma Witte, daughter of H. Witte, 80th Ave., Tinley Park;

Diana Krol, daughter of A. Krol, 159th & Ridgeland, Tinley Park.

Mrs. William Cote, a member of the Home Economics teacher staff; Miss Muriel Schroeder and Miss Janet Weyrick, Cadet Teachers from North Central College; accompanied the girls to Chicago to arrange the exhibit.

Mrs. Hilda Geuther, chairman, Carl Sandburg home economics department, was among 30 off-campus teacher education supervisors invited to a conference with Dr. Johnnie Christian of the U.S. Office of Education, Washington, D.C. The meeting was held on the campus of Illinois State Normal University, Feb. 24th.

The discussions centered on beliefs about adult education, important goals in light of those beliefs and some methods of interesting adults in a broad program of homemaking education.

Mrs. Geuther is currently supervising cadet teachers for North Central College, Naperville.

Richardson Invites Public to View New Meat Market

Roy Richardson, owner of the Mokena Meat Market will hold open house this weekend, Thursday, Friday and Saturday, when he invites everyone to come to his new store.

Special prizes, all in the meat line, will be given away.

Mr. Richardson has operated a meat market in Mokena for the past nine years, coming to Mokena with his family from Chicago where he had successfully operated the same kind of business.

New Business for Mokena Will Hold Open House Mon.

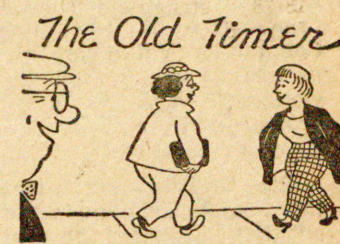

Open house will be held in the new Laundromat, Front st., at Mokena, Monday, March 2.

The owners, Mr. and Mrs. Donald Clegg, of Mokena, invite everyone to visit their store. They are offering free washing and drying of eight pounds per family.

Coffee and donuts will be served beside a radio will be given free.

Store hours are from 6:30 a. m. to 7:30 p.m. except on Friday when the store will be open until 9 pm.

This is the first laundromat service in Mokena.

"Fewer men have been calling their wives 'the little woman' since they started wearing slacks."

	NO	

Polling Place: Town Hall of the Town of Homer in said Will County located in the Northeast Quarter of Section Twenty-one of said Town of Homer within said Fire Protection District.

Sandburg Is Back In Third Place Deadlock

Lose Thriller to Oak Lawn But Beat Evergreen Park 68 to 60

Carl Sandburg moved back into a third place deadlock with Bremen high on Saturday evening by beating Evergreen Park at the Mustang stable by a score of 68-60. Don Arnold of Sandburg scored 32.

The Eagles would have clinched at least a tie for third if they had held their seven-point lead over Oak Lawn on Friday evening. But the Spartans rallied on the basket by Hank DeVries to belt the Adams lads by a thrilling, 48-47 count. Oak Lawn beat Rich the next night.

Coach Bill Adams, sad Eagle father, (not balding) expressed real disappointment over the loss to the Spartans. "We had Oak Lawn," he said. "In fact—if we would have worked the ball—instead of trying to shoot it would have been our game."

Oak Lawn was happy to escape with the victory. As is usual for the Spartans, they outdistanced the Eagles in the first round. The count was, 9-5. Oak Lawn never did seem to solve the tight Eagle defense. They played around the zone all evening. This was what Adams wanted.

This second quarter was a 13-13 struggle. The Eagle flapped its recently clipped wings and soared off to a commanding 17-9, third quarter effort. Don Arnold added plenty to the wing power.

Then came the eventful final quarter scramble. Sandburg held the lead throughout—that is until the final 30 seconds. Hank DeVries, not scoring well in the entire game, became the hero with a shot from the free throw lane to give Oak Lawn a 48-47 win.

Don Arnold tallied 16 points, the game high, for the Eagles. Hank DeVries led the Oak Lawn team with 15. The battle was a defensive one.

Saturday evening was a different story. Adams smiled as he talked of the last three quarters. "We never let them up after the first quarter."

"Don Arnold did a great deal of scoring for us."

Arnold gave a performance to behold, racking up one of the highest scoring efforts recorded in the SWS this year, with his 32 points. Don did all of this with 15 field goals and only 2 fouls. He missed about 10 free throws—thus he could have approached the 40 point figure.

Hobbled by an ankle injury recently, he shed it in this night of yeoman service.

Evergreen Park stole the show and galloped off to a 17 to 10 first period lead.

Arnold then threw on the saddle and pulled the Mustangs up short. Don hit on six baskets in the second quarter and two fouls for a total of 14 points—just 8 shy of the team total of 22.

He wasn't thru with his horseback riding, but ripped the net with 5 more baskets in the third period—scoring 10 of Sandburg's 15.

This was Arnold's finished horseback adventure.

Mainly from the free throw line, the Eagles flew to victory with a 21-16, last quarter burst.

John LePore scored high for Evergreen with 15 points—but nothing near Arnold's total.

Duane Erickson did a fine job of feeding Arnold. His driving passes in the two middle quarters were a great contribution to the 32 point effort.

The Sandburg frosh-soph won both games over the weekend, moving back into second place in the SWS. They have the last chance for a team to take the Bremen young men this year.

"We had been getting some pretty bad games recently," explained Adams. "But the boys proved that they can play basketball over the weekend."

Summaries:
SANDBURG (68)
Schneider 2-1-5; Yurtis 0-1-1; Erickson 2-1-5; Arnold 15-2-32; Dufek 1-2-4; Barry 2-5-9; McBride 3-6-12.
EVERGREEN PARK (60)

Evergreen 17 12 15 16 60

Bremen Fades Before High Flying Rockets

The Bremen Brave let out the war-whoop and proceeded to throttle the high flying Rich Rockets, that is for about two periods. Then the Rockets turned on the power and with a flurry of basket fuel soared away to victory, 76-52. It was the worst defeat that Bremen has absorbed this year.

With a neat functioning of fensive pattern, built around Jim Mannaioni and Bob Rodger, the Bremen team worked its way to a quick 18-13, lead. In the waning moments of the second period Rich began to hit the basket with a deadly accuracy—a poison arrow that undid the Redmen. They seemed to have solved the Braves offense—when Jim was gone.

Mannaioni acquired his fourth personal in the second period and with his banishment went the hopes of victory. With the good offense, the Braves needed Jim's generalship. That was none in the second half. There was no one to fill his position on that Saturday evening at Rich.

Rich captured the lead by half time, 35-32. In the opening minutes of the third quarter the curtain went down on the Braves hopes. Rich scored seven field goals while Bremen was getting a basket and a foul shot.

Newcomer Ebystyne, was a real addition to the Rocket offense and defense. He scored nine points, but his all around play was as good as any other Rich regular.

Rebounding was a decisive factor in the Rich win. The Rockets collected almost twice as many rebounds as the Braves. Rich men, Phil Wagner, Ebystyne, and even Gorman were getting the rebound shots and scoring consistently.

Never did the Rich Rockets score better than they did in the early moments of the third quarter, when they iced the game. They scored on 7 or 10 shots from the field. This was the team percentage. It was spectacular!

Jim Miffilin was the only Brave to hit consistently and that he did for 22 points. Jim along with teammate Mannaioni did get the play the entire game—due to five personal fouls.

The first half shooting percentage for Bremen was quite good, but in the second half it went sour. The Braves were hitting the rim and the like, but the ball wasn't falling thru.

Coach Bill Brown suggested, "Our shooting went cold in the second half. It was tough to lose the men via fouls, but that is a part of the game."

The disappointed Bremen mentor also commented, "Rich shot rather well—and when their big men are hitting it makes you let Mautz go." (Mautz did for 23 points).

Lin Mautz scored 23 points for the Rockets, the bulk of these coming on a driving lay in shot in the final quarter, when Bremen was very short handed.

Gorman added 16 points to the Rocket total. Many of these were scored on rebound shots. He has not looked better this season.

This was the Rocket's night. Bob Rodger and Mannaioni both scored in double figures, hitting 12 and 11, respectively.

Bremen's frosh-soph continued its all conquering ways with a easy 10 point victory over the young fellows of the yellow cloth.

Summary:
BREMEN (52)
Mannaioni 5-1-11; Miffilin 8-6-22; Randle 2-0-4; Rodger 5-2-12; Przybyla 1-1-3.
RICH (76)
Gorman 7-2-16; Wagner 4-6-14; Drake 3-3-9; Hughes 0-1-1; Zeller 0-4-4; Mautz 10-8-23; Ebystyne 4-1-9.
Score by Quarters: 1 2 3 4 T
Bremen 13 14 10 15 52
Rich 13 22 18 23 76

Mokena Baseball Association Will Meet Next Tuesday

The Mokena Baseball Association meets at the Carpenter Street school on Tuesday, March 3 at 7:30 pm.

Scheduled for discussion is whether or not the town will have a team in the Tri-County circuit.

Another problem that confronts the association is the need for more competent coaches. They especially need coaches for the Small Fry Team, age 8-12, and the Pony League, 13 to 15.

Oswego Upsets Sandburg Matmen

Oswego entered the Eagles nest and came out with the victory. They beat the Eagles in the district elimination wrestling tourney held at Orland Park last week-end. Oswego won over Sandburg, 76-66.

Naperville ranked third with 60 points and Joliet was a close fourth with a 56 point total. Lockport was 5th and Lincoln-Way finished sixth with an accumulation of 31 points.

Six Carl Sandburg high school wrestlers have qualified for the sectional tournament to be held Friday and Saturday at Blue Island.

Lincoln-Way's Knights will send four to the sectional meet next week-end. Ken Zitter (122), who ranked second; Bill Zelko (154) winner of the Sandburg district; Rogers (145) fourth place finisher; and Ed Smith, third place finishing heavyweight at the district.

Zelko was the only Knight to cop a first place finish. Zitter is still suffering the effects of an ankle injury sustained near the end of the dual season.

First place medals were pinned on Ron Risner (103), Roger Chatlosh (138) and Al Jacklich (165) of Sandburg. Coach Joe Devine was especially pleased with Chatlosh's performance since he had to beat Haag of Oswego, an outstanding wrestler that had decided him in a dual meet last year.

The three other Sandburg competitors that qualified for the sectional were forced to settle for second places. Sandburg's other six entrants in the tournament were eliminated in the first round.

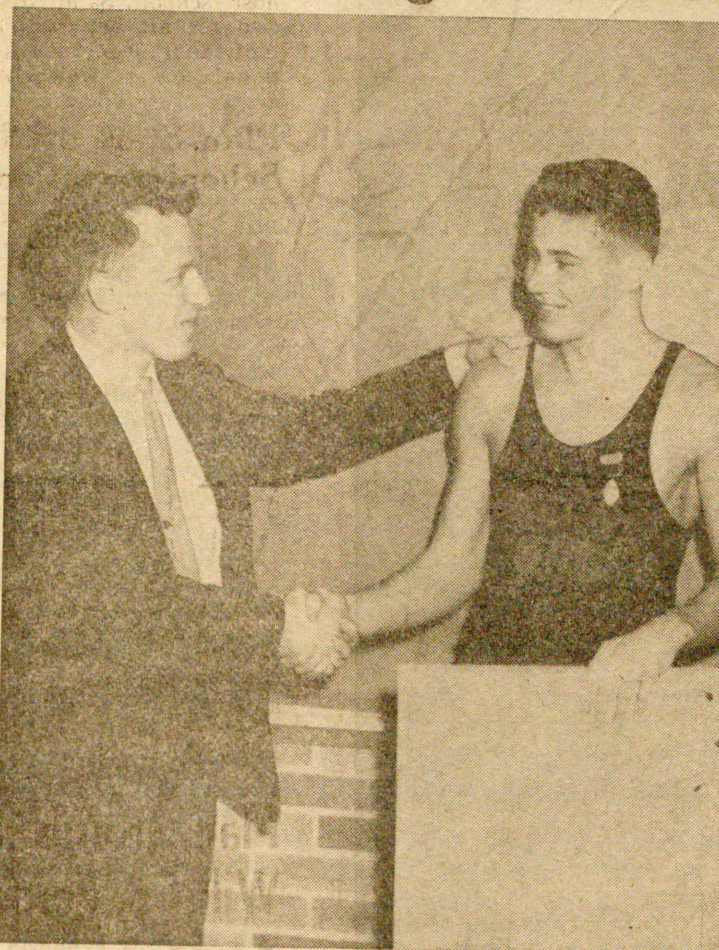

Earl Briebarth (95), Dave Gibson (127), and Fred Heiv (Heavyweight) took second place for Sandburg. Gibson's loss in the finals was only his second of the year. Norman of Joliet turned the trick with a hard fought 2-1 decision.

A summary of points for the district team is as follows: Oswego 76, Sandburg 66, Naperville 60, Joliet 56, Lockport 37, Lincoln-Way 31, Morris 29 and Downers Grove 16.

Backwood Trails

By ART SCHUMANN

With the first of March rolling around, ice fishing will pick up considerably. As warmer weather approaches and the spring thaw begins, later in the month fishing will be at its best. Crappies and blue gill for the first time since last fall, will begin to hit on small gobs of red worms used with tandem spinners.

Why they will hit this bait in the thawing period when they will not touch it in winter, has caused many a debate among sportsmen. Many believe it is because ice melting away from the shoreline allows surface water to wash worms into the stream. This fish begin to feed on them for the first time during the winter and even begin to look for them.

When fishing with red worms use a small hook and spinner just as you have used all winter with just a little worm "gobbed" at the end of the hook. Don't forget to "jig" it to make the spinner do its job. Pan fish will bite time and again on an unbelievably small piece of worm.

The recent victory in Michigan won by the people of the State should be a good lesson to sportsmen everywhere. When mining interests showed a desire to mine part of the Porcupine Mountains State Park, public opinion grew so strong that the company withdrew its request. The entire

Browsing Through The Cold Stove League

By Dean Dallas, Sports Editor

Oak Lawn's stunning upset of Rich on Saturday evening proved that the SW Suburban League is no pat set-up.

In fact, this conference has authored more upsets and strange adventures than one would ever suspect. Rich has shown the consistent power. Oak Lawn has never looked great, but has won most of its games from the free throw lane. Oaks have won games on as few as 14 field goals—while the opposition has scored 20 or more. That is a Spartan for you.

Bremen has been great at times, but very poor in other efforts. Carl Sandburg has surprised by being up in a third place tie. Sandburg has been the only consistent team in the conference. The Eagles have beaten the same opposition twice and lost to Rich and Oak Lawn twice. But how about Friday? Hank DeVries last second shot beat the Eagles, 48-47.

On given evenings the teams "down at the bottom" could make it almost too hot for those high and mighty front runners. It was a strange season. Lincoln-Way about upset Bremen at Midlothian. Reavis played Rich to a stand still until the first six men were fouled out at Park Forest.

Evergreen's only claim to fame—is its victory over erratic Bremen at the Braves

tepee.

Carl Sandburg will send six men to the sectional wrestling tournament on Friday and Saturday at Blue Island. Lincoln-Way will send four men to the same tourney.

Dave Gibson's 2-1 loss to Norman of Joliet snapped his 20 win streak. This came on the heels of Gibson's win over powerful Luke Kent of Bremen in the SW Suburban.

Coach Joe Rusk has done a marvelous job with the Bremen webleet. Joe took a group of green swimmers and led them to a couple of victories of much larger South Suburban swimming teams.

The faculty game between Carl Sandburg and Lincoln-Way high schools, benefit for the school athletic clubs, will be played at Lincoln-Way High in New Lenox on Saturday March 7.

This backyard brawl will pit the "all knowing" coaches in the match of matches. Next year the two will meet at Sandburg.

A most interesting game will probably develop. Neither team is expected to reach the floor in pajamas. That is a typical faculty trick.

Rich has bitten the dust—The snow has melted away—Basketball is marching away to soldier land...Cheerio!

Mokena Grade Cagers Divide With Channahon

On Friday evening the Mokena lightweight basketballers lost a thrilling 28-27 contest to Channahon here in Mokena. However, the heavyweight, in the afternoon finale, put the defeat on Channahon, 39-30.

This gave the Mokena heavies a record of 8 and 4 for the season. The Boy's Club of Joliet came to Mokena on Saturday and handed the home squad two defeats by scores of 28-26, in the lightweight game, and 45-37, in the heavyweight. Mokena will enter teams in the lightweight tournament to be held at Frankfort March 3-7.

The heavyweights will travel to Laraway for a tournament March 9-14.

MRS. JAMES C. FREMDER

Couple Wed in Arkansas Feb. 14

James C. Fremder, son of Mr. and Mrs. Fred Fremder, of Flossmoor, and the former Carolyn Quoss, daughter of Mr. and Mrs. Fred Quoss, of Fort Smith, Ark., were married in the First Lutheran church of Fort Smith Feb. 14.

The Rev. E. A. Krause, pastor, performed the double ring ceremony before an altar decorated with white mums and pom poms, palms and candelabra. A program of wedding music was played by Mrs. Worth Paden, organist, who also accompanied the vocalist, Miss Rosalie Schmieding.

Candles were lighted by Manfred Fremder of Tinley Park, a cousin of the bridegroom and Ricky Nelson, son of Dr. and Mrs. Eric Nelson of Fort Smith.

The bride, given in marriage by her father, wore a gown of white taffeta, fashioned with a fitted bodice and a floor-length skirt which extended into a chapel train. Wide lace motifs, embroidered with seed pearls, graced the rounded neckline and elongated bodice. Her waist-length illusion veil was attached to a crown of orange blossoms and seed pearls. She carried a cascade

bouquet of stephanotis, centered by a white orchid.

Miss Linda Quoss served as her sister's maid of honor. Bridesmaids were Mrs. Robert Fremder, sister-in-law of the bride and groom; Miss Rosanne Dietz, cousin of the bridegroom; Miss Gail Wortz, cousin of the bride; and Miss Lora Zylstra.

Dressed alike, the attendants wore mink brown satin street length dress made on princess lines, with rounded neckline. They wore matching headbands and carried cascade bouquets of white sweetheart roses and pom poms.

Robert Fremder served as his brother's best man.

Groomsmen and ushers were Leroy Hoeft of Tinley Park, Robert Hermani of Hyattsville, Md., John Kjollet of Holyoke, Mass., and Garf Geren of Fort Smith, cousin of the bride.

For her daughter's wedding, Mrs. Quoss chose a teal blue lace over taffeta dress, made with blouson bodice and slim skirt. She wore blue and white accessories and an orchid corsage. The bridegroom's mother was attired in a cocoa brown satin costume with

beige accessories and brown orchid corsage.

Following the ceremony, a reception was held at the Quoss home. Assistants were Miss Patti Padon and Mrs. James Hughes of Oklahoma City. Mrs. Earl Franklin was in charge of the guest book.

After the reception the couple left on a short wedding trip. When they return they will make their home at 16816 Riverside drive, Tinley Park.

For travel the bride chose a red wool two-piece dress with black accessories. She pinned the orchid from her bouquet at her shoulder.

Out of town guests were the bridegroom's parents, Mr. and Mrs. Walter Fremder and son, Manfred, Mr. and Mrs. Robert Fremder, Mr. and Mrs. Leroy Hoeft, all of Tinley Park, Mr. and Mrs. Casper Dietz and daughter, Rosanne, of Milwaukee, Wis., Miss Linda Quoss and Robert Hermani of Concordia Teachers college, River Forest, and John Kjollet of Concordia seminary, Springfield.

The groom is associated in business with his father, owner of the Service Bakery, Tinley Park.

European Wedding Gown is Worn By Bride of Roy Gilbert, Tinley

A bridal gown purchased in Europe last summer was the costume of Miss Jane Miller Nisbet, daughter of Mr. and Mrs. James W. Nisbet, 2340 Hartroy ave., Evanston, for her marriage to Roy Herbert Gilbert of 6300 Gaynelle rd., Tinley Park, recently. The wedding service was held in St. Athanasius church, Evanston.

The bride's gown was of white silk taffeta with Alencon lace accenting the sweetheart neckline, the points over the wrists and the chapel train. Securing her fingertip veil was a handmade crown of small net flowers encrusted with seed pearls and tiny green leaves.

Miss Joyce Shaule of Evanston served as maid of honor and bridesmaids were, Miss Connie Bohnenkamp of Iowa

City and Miss Lynn Herrick of Evanston.

Mr. Gilbert, whose parents are Mr. and Mrs. John J. Walsh of 6300 Gaynelle rd., Tinley Park, had Rollin Dix of Indianapolis, Ind., as best man, and Robert Dabasinskas of Cicero, Edward Neuter of Topeka, Ind., and John Grisso of Warsaw, Ind., as ushers.

After a reception at the Woman's club of Evanston, the newlyweds left for a honeymoon trip to Port Heuneme, Calif. where the groom, who graduated from Purdue University and received his commission as Ensign into the Navy two weeks ago, will be stationed temporarily.

The bride, a Northwestern graduate, is a member of Alpha Phi sorority and Mr. Gilbert belongs to Pi Kappa Alpha fraternity.

MARRIED 55 YEARS—Mr. and Mrs. Jeffrey Donohue, of Tinley Park, greet friends at open house on anniversary. (Marvin Smith photo)

Couple Marks 55th Anniversary At Open House

The 55th wedding anniversary of Mr. and Mrs. Jeffrey Donohue was celebrated at the home of their daughter, Mrs. Marie Zimmerman, Tinley Park, with whom they have lived for the past year. The occasion was marked with an open house Saturday, Feb. 21. The couple attended mass at 8:15 a. m. at which their grandson, Jeffrey Donohue, served.

Mr. and Mrs. Donohue were married in Missoula, Mont., Feb. 20, 1904. He was born and reared in Chicago. Mrs. Donohue was the former Eliza Beth Miller of Mexico, Mo.

Mr. Donohue was employed by Sears Roebuck mail order house in Chicago for 35 years, retiring 13 years ago. The couple previously resided in Chicago and Burlington, Wis. They have one son, Sidney J. Donohue, and one other.

Legion Auxiliary Picks Delegates to Sandburg Caucus

Dorothy Thoms and Hilda Nitsche are delegates to the caucus of the Carl Sandburg high school, and Emily Zerbs is alternate, representing the Orland Park Unit 526, the American Legion Auxiliary. Dorothy Thoms will also attend the 31st annual patriotic conference March 19 in the ballroom of the Morrison hotel Chicago.

Lilah Kruspe attended the daughter, Mrs. Eleanor Papotta of Monticello, Calif., eight grandchildren and five great grandchildren.

patriotic patients' participation program at Oak Forest hospital, Feb. 19.

The tableau included patients' costumes of Betsy Ross, Abraham Lincoln and the Statue of Liberty, with appropriate music by patients. A 49-star flag made by patients was unfurled to climax the pageant observance of patriotic holidays in February.

Refreshments were served by Dorothy and Lilah Kruspe.

Almost every heart condition can be helped by proper treatment, reports the Chicago Heart Association, currently conducting the 1959 Heart Fund drive.

Orland Woman's Club Active in CARE Program

About 36 members and guests of the Orland Park Woman's club attended the meeting Wednesday, Feb. 18, at the Community Center Foundation.

The General Federation of Women's Clubs are affiliated with other agencies on the CARE program. Orland club will be active in this program and as a starter collected \$9 which has been sent to the district treasurer. A container will be placed for donations at each meeting.

Members signed the ballot for Better Driver Licensing, with which the General Federation of Women's clubs are affiliated.

Mrs. Sigmund Smith, Mrs. Fred Blackstone and Mrs. Frank Buck were elected on the nominating committee.

Dr. Wesley Lindquist showed colored slides of the tour he and his wife took through the Orient last July and August. Mrs. Lindquist narrated the various slides. They visited Hong Kong, Siam, saw rice fields and, hemp fields, fishing boats and small villages

Demonstration on Homemaking Given at Guild Meeting

A demonstration by Miss Ruth Williams of Home-Making Program, Inc., was enjoyed by members of St. Michael's Guild, Orland Park at the February meeting. Prizes were awarded following the demonstration.

Refreshments were served by hostesses Mrs. Dale Bryant, Mrs. Anthony Greco and Mrs. George Paetow.

They passed thru either by car or train, all in all the lecture was very interesting and the slides were beautiful.

After the program, refreshments were served by Mrs. H. J. Eierdam, Mrs. L. L. Jodan, Mrs. W. M. Tuttle and Mrs. J. R. Kaiser. The cakes had a miniature silk flag placed in the center of each piece in observance of the patriotic holidays.

Lutheran Guild Plan Confirmation Reunion Dinner

The Zion Lutheran guild met Monday evening at the Parish hall, Mrs. Marvin Vogt led the devotions. Mrs. Benjamin Deck, president conducted the business meeting.

Final plans were made for confirmation reunion and dinner to be held March 15. Towels were collected to be sent to New Guinea missionaries.

Mrs. Alden Braach, Mrs. Wm. Bird and Mrs. Bruce Yaeger were welcomed as new members. Mrs. Guy Mason was a guest.

Mrs. Paul Nielsen led a discussion on the Book of Ephesians.

Refreshments were served by Mrs. Donald Peterson and Mrs. Vincent Flauto.

Lincoln-Way Falls In The Last Two Minutes

The Black Knights of New Lenox, for about the seventh time this season, dropped the contest, after leading with a few minutes before conclusion time.

Saturday evening it was the Reavis Ram who supplied the knock out drops with a minute to go, 56-50.

"We just couldn't adjust to their pressing zone defense in the last two minutes," lamented Joe Kruzich, colorful L-Way coach. "I guess that it is just inexperience."

"This sort of thing has happened to us on at least seven occasions this year. That is too many."

With two minutes the Black Knights were over the Rams by a two point margin.

Then came the Rams pressing defense. Before Kruzich could get time out to regroup his attack the Reavis team had stolen the ball three times and made three close up shots for a four point lead.

L-Way came back in the second quarter, after Reavis had made shambles of them in the first, closing the gap to two points by the half, 29-27. Both teams were good on defense as Reavis came up with another two point lead at the termination of the third heat, 40-38.

The 48-46, Knight lead vanished in the final quarter when the Rams were on a thieving spree. The pilfered three basketballs from Jerry

Hachnlein and made them six points for their side. How can you beat that!

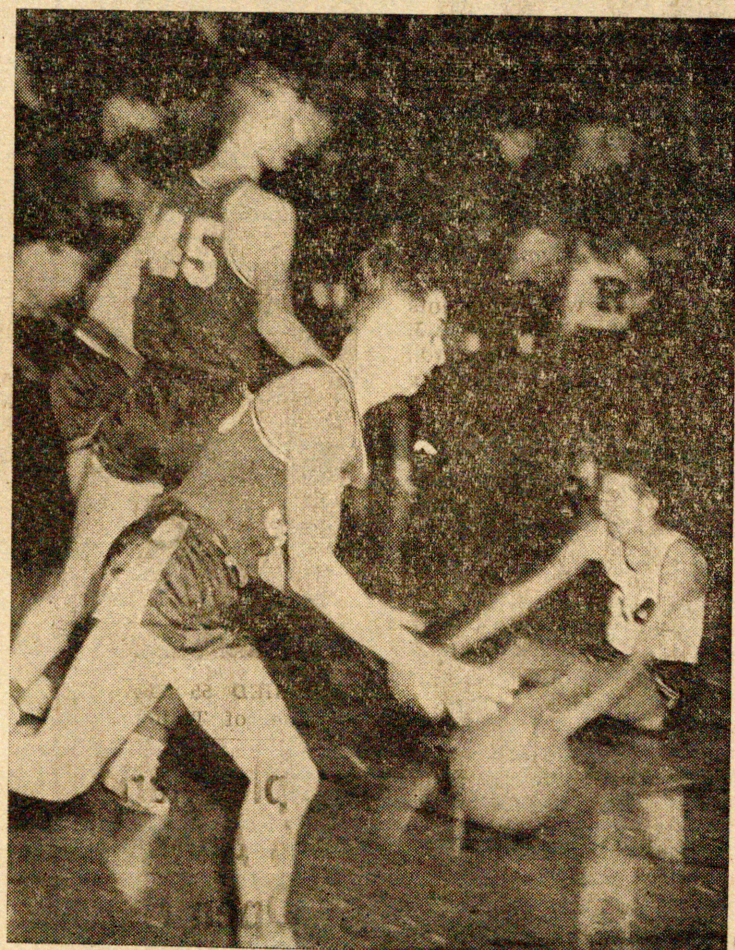

On nine occasions this year the Knights have been ahead or behind by just one or two points with less than two minutes to go and in each case they have lost the game. What is that old dame fortune up to—maybe Kruzich isn't making the right kind of "witches" brew.

Larry Iwema, erratic, but good when he is, made 18 points—for top scoring honors in the game. Larry scored 6 baskets and 6 free ones. Ken Natale, very good Reavis player, was next with a total of 15 markers. Natale has been the spark-plug of the Reavis team this second half of the season.

George Ruhle netted 14 points and did a good job on the rebounding.

Lincoln-Way frosh soph built up a commanding lead over the Reavis Ramsfers of 20-0 in the first quarter. Kruzich told the young men: "Lads, lets emphasize our defense and take some off the offense." I guess Joe meant another tye of defense.

Summary:
LINCOLN-WAY (50)
Iwema 6-6-18; Ruhle 5-4-14; McGuire, 1-2-4; Hachnlein 2-0-4; Waldvogel 1-0-2; Kruzich 2-4-8.
REAVIS (56)
Sakalosky 1-1-3; Pigusch 9-2-2; Natale 5-5-15; Sakalosky 2-3-7; Vost 4-2-10; Mulack 3-1-7; Lemoine 3-6-12.
Score by Quarters: 1 2 3 4 T
L-Way 10 17 14 12 53
Reavis 19 10 10 11 50

LARRY IWEMA— of Lincoln-Way appears to be rowing his boat on a Saturday evening. Bob LeMonier is unconcerned about Iwema's efforts, as he drives by with a basketball in tow. (Marvin Smith photo)

March of Dimes Campaign Nets \$1,209.95, Chairman Announces

Joseph McCarthy, chairman of the March of Dimes campaign, is grateful to all who assisted in the drive and all who contributed. The campaign was very successful and a total amount of \$1,209.95 was collected as follows:

Mailing cards	\$374.00
Coin collectors	71.41
Burt Fulton school	93.53
Central school	84.78
St. George school	82.98
Mothers' March	503.20
Grand total	\$1,209.95

Brad, 11 month old son of Mr. and Mrs. Robert Bettenhausen has returned home following a lengthy hospitalization.

Joyce Arlene VanderVeen celebrated her seventh birthday Monday with a party for 15 friends. Party games, favors and a beautiful doll-birthday cake and trimmings were enjoyed.

Wanda Lehmann celebrated her 11th birthday on Lincoln's birthday, Feb. 12, with a party for 11 of her school mates. Games were enjoyed throughout the afternoon, and refreshments in Valentine decor were served by her mother, Mrs. Harry Marzoff. Many lovely gifts were received by the birthday girl. The evening was spent with Mr. and Mrs. M. Trkulja, of Lansing, and grandma, Mrs. Arthur Keuch.

Charlotte Lehmann, 7 year old daughter of Mr. and Mrs. Harry Marzoff, 6712 West 174th st., who has been a patient at University of Illinois Research hospital with dehydration and strep infection, has returned home until March 12, when she will return for surgery on March 16.

Mrs. Leland Rayson, who entered Silver Cross hospital last week for treatment, has returned to her home and is much improved.

Susan Marie, daughter of Mr. and Mrs. Paul Jeffords, 17550 65th ave., celebrated her 4th birthday Feb. 24. In honor of the occasion her mother entertained a group of her little friends in the afternoon. On Sunday another party was given for Susan, guests were aunts and uncles, and her paternal grandparents, Mr. and Mrs. Frank Jeffords, her maternal grandparents, Mr. and Mrs. John Larkin, of Loveland, Colo., were unable to attend. Susan received many lovely gifts.

A very enjoyable evening was spent by Mr. and Mrs. John Rooney, Mr. and Mrs. Ray Sullivan and Mr. and Mrs. John Wojciechowski last Saturday as they dined at the Military Order of Purple Heart in

Band Boosters Sponsoring Dance For Teenagers of the Community

At the meeting of the Mokena Band Boosters held last Saturday evening in the public school, Mrs. John Horras, ways and means chairman, reported she had purchased 10 new records to be used at the Teen-Age dance this Saturday evening. This dance which will be held in the Carpenter st. school, is for all teenagers to attend and enjoy the evening. The time has been changed to 7 to 10 p.m. Refreshments will be available. Several members of the Band Boosters will be in charge of the affair.

Mrs. Emilie Campbell, who has been visiting her sisters, Mrs. Clida Deadmore and Mrs. Margaret M Semmler for a month, left Saturday for Savanna, Ill. to visit her daughter two weeks before returning to her home in Seattle, Wash. Mrs. Anton Bason who was visiting her son Edwin and family in Kankakee, suffered a paralytic stroke while there and was removed to St. Mary's hospital in that city. She is doing quite well and her family hope she may be able to return home soon. Today is her 76th birthday.

Mr. and Mrs. Edward Walsh and family moved last week in to their new home in Sunny Acres.

Mr. and Mrs. Everett Cooper spent last week vacationing in Florida.

The Amvet's Auxiliary met Feb. 19 in the home of Mrs. Katherine Zink with Mrs. Jean Oplitz assisting hostess. Plan were made for the Minstrel show which the group will sponsor April 10 and 11 in the Carpenter street public school.

The minstrel chorus rehearses Monday in the VFW hall. The end men are rehearsing in the Barney Hoogstra home, 191st street.

Stephen J. Angland of Washington, D. C. and Mr. and Mrs. Emmett Angland of Great Falls, Mont. spent several days

home Feb. 18 after treatment in Silver Cross hospital.

Mrs. Carl Whitney of Chicago is a guest at the home of the Earl Cavanaugh.

Jo-Ellen, daughter of Mr. and Mrs. Charles Ostendorf, 17355 64th ct., a musical student, invites her friends to an accordion concert at 2 p.m. Sunday, March 15, at Marquette Park, 67th and Kedzie ave., Chicago. She plays in a band known as the "Suburbanaires". They will play three numbers as well as solos. Admission is free.

Walter Fierke, superintendent of public schools, attended the American Association of school Administrators convention last week in Atlantic City, N.J.

The Young Married People's Bible class of the Nazarene church held a surprise housewarming for the Noah Cash family Saturday evening. The Cashs moved into their new home at 171st and Oconto two weeks ago.

The Young People's Sunday school class of the Nazarene church spent Saturday evening bowling.

Pvt. John C. Sahlin, son of Mr. and Mrs. Weddell Sahlin, 18541 Fulton Terrace, completed his basic training Feb. 19 at Ft. Leonard Woods, Mo. He entered the service Nov. 24. He was graduated from the Illinois university last June, and is now a member of Company D, 2nd Bn, 2nd TRB.

Methodist News
Twenty young people from the Senior Methodist Youth Fellowship spent the past week-end on a recreation and study retreat at George Will-

with their brother Maurice and wife.

Stephen is a lawyer, a navy member of the armed forces in the housing council and formerly was associated with FCC in the investigation department. Emmett is the president of the Montana Bar association. They both were attending the American Bar association in Chicago. Needless to say the reunion of the brothers was a happy occasion.

Pvt. Delbert Yunker, son of Mr. and Mrs. Clyde Yunker, 225 S. Mokena st., was graduated Feb. 18 from the basic combat training course at Ft. Leonard Woods, Mo. Delbert entered the service Nov. 28. He was graduated from Lincoln-Way high school last June and had been associated with his father in the plumbing and heating business.

Mrs. Vernon Bormet, Wolf road, underwent surgery last week in St. James hospital, Chicago Heights, for the correction of a hernia condition. She is making

satisfactory recovery. Mrs. Joe Farquhar returned Sunday from Southern Illinois where she had been visiting relatives. Her sister, Sylvia McDaniel, returned with her for a short visit. Beata R. Wajia of Wolf road and 192nd st. received the degree of Bachelor of Arts at Roosevelt University at commencement exercises held Feb. 2. Miss Jean I. Sagan, 194th and Wolf road, has been named 1959 Secretary of the Year by the Lake Shore chapter of the National Secretaries association (International). Mrs. Sagan is secretary to Johnston A. Bowman, first vice president of Bowman Dairy company. She attended Lindbloom high school and Northwestern university. In addition to representing Chicago during National Secretaries Week (April 19-25), Miss Sagan will vie for the title of the nation's Secretary of the Year at the association's convention next July in Miami Beach, Fla. Mr. and Mrs. Lester Schieck entertained their evening pin-ochle club in their home last Thursday. Mr. and Mrs. John Balaz are enjoying a pleasant winter vacation with her sister in Winter Haven, Fla. They write that the weather is fine, around 80 degrees each day.

Mr. and Mrs. John Hubler were guests of Mrs. Margaret Semmler Monday evening when they enjoyed visiting with Mrs. Emilie Campbell. Army Pvt. Richard J. Arnold, whose wife, Mary, and parents, Mr. and Mrs. Joseph L. Arnold, live in Mokena, completed the 16-week automotive equipment repair course Jan. 23 at the Ordinance school, Aberdeen Proving Ground, Md. He entered the Army last April and received basic combat training at Ft. Leonard Wood, Mo.

KING AND QUEEN—of the Mokena PTA Country Fair were Gary Horras and Roberta Lang (center couple). Each is eight years old and both are in the third grade. They were picked by vote. Each grade had a pair of candidates and the couple receiving the most votes was the winner. The votes were a penny

each and a total of \$309 was raised by this means. The money goes into the pot to finance a trip to Springfield for the eighth grade class. Runners up in the contest, who were designated as prince and princess, are Mike Bernard, 10, and Nancy Carlson, 10, pupils in the fifth grade. (Marvin Smith photo)

Engagement, Wedding Plans Are Announced

Mr. and Mrs. Harold E. Schwab of Lincoln Estates, Frankfort, announces the engagement and approaching marriage of their daughter, Phyllis Mylene, to Donald R.

Phyllis Schwab

Goldberg, of Columbus, O., son of Mr. and Mrs. Irving Goldberg, Elmhurst.

The wedding ceremony will be held May 2, at 7:30 p.m. in the Ridgewood Baptist church, Joliet, with the Rev. Everett Houey officiating.

A reception will be held in the church parlors following the ceremony.

The bride-to-be, who is a graduate of Lincoln-Way high school, is a student at the West Suburban Hospital School of Nursing. Her fiancé is a graduate of Morgan Park high school, Chicago, and the University of Illinois, Urbana. He is a member of Sigma Tau, honorary engineering fraternity.

He is employed by North American Aviation, Inc., Columbus, Ohio, in the aeronautical engineering department.

Invitations will be issued, but all friends and relatives are invited to both the ceremony and reception.

Monee Couple Exchange Vows in Zion Church at Beecher on Feb. 7

Palms and vases of cut flow ers decorated the Zion Lutheran church, Beecher, for the wedding of Miss Verna Stolzenbach and Donald Bauch, both of Monee, on Feb. 7.

The Rev. Robert Kamprath, pastor, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Carl Stolzenbach and the groom is the son of Mr. and Mrs. John Bauch.

The organist, Darrell H. Maher of Crystal Lake, played appropriate wedding music and accompanied the soloist, Arthur Nordstrand, who sang, "The 23rd Psalm" and "The Lord's Prayer."

Escorted down the aisle by her father, the bride wore a short sleeve gown of Chantilly lace over tulle, with a cathedral train. The round neck line had a n illusion insert studded with pearls and sequins. A fingertip veil completed the bridal dress. She carried a bouquet of white roses and stephanotis.

The matron of honor was Mrs. Randall Bunte who wore a peacock blue ballerina gown of pure silk organza with an embroidered cummerbund and a dipped bodice.

The bridesmaids, Miss Marilyn Yunker and Miss Marion Becker, wore gowns identical to the matron of honor, with matching headpieces. All carried heart shaped bouquets of pink carnations with white streamers.

The best man was Randal Bunte. Other attendants of the groom were Wesley Stolzenbach and Vilas M. Peters. Ushers were Melvin Mueller and Lester Williams.

Mothers of the couple each wore navy blue dresses with white accessories. Each had a corsage of white roses.

A reception was held at the Beecher Community hall, attended by 250 guests.

Bonnie Fette took charge of the guest book. Judith Rosenbrock and Alleen Herz served punch. Cake was served by Perle Stolzenbach. Lunch and coffee was served buffet style. The matron of honor assisted in the opening of wedding gifts.

The young couple are now

living on his parent's farm at Monee, where the groom engages in farming with his father.

The bride has been employed at the Mohawk Tablet Co. in Chicago Heights.

Bremen Student Loses First Place in Speech Contest

Stanley Ferguson of Markham, a junior at Bremen Community high school placed first in the original monologue at the speech contest held last Saturday at Thornton Frac-tonal South high school. However, he was disqualified on a technicality. He failed to turn in his script.

Paul Fredericks of Markham, also a junior at Bremen, placed fourth in comedy reading.

Because of Stanley's disqualification, Bremen will not be represented in the sectional contest.

Garden Club Plans Plant Sale in Spring

The February meeting of the Tinley Park Garden club was held at the home of Mrs. Henry Duff, Blue Island, Feb. 19. The hostess served luncheon to 12 members and one guest, Mrs. Albert Staltz. Decorations were in keeping with Valentines Day, as this was the Valentine exchange.

Mrs. John Swisher reported she had sent 70 magazines, a large box of hose, 27 daily devotion books and several senior Bible lessons to the Oak Forest hospital in behalf of the club.

It was voted to make a contribution to the Heart Fund. Club members voted to have a plant sale this spring. More details later.

The advance sale tickets for the Chicago Horticultural Flower show to be held March 14 thru 22 were received and may be obtained from the

president, Mrs. Gervis Klepper, (Phone KE 2-2684).

Wild bird seed was distributed to members that wished to have birds feeders.

The next meeting will be held at the home of Mae Panozzo with Irma Klepper in charge of the program. Games were played and each member went home with a prize.

A prize was won by Minnie Mager. Mrs. Agnes O'Neill was in charge of the program.

The birthday song was sung for Edna Clark and Wally Rodgers.

Woman's Auxiliary Holds Bake Sale in Tinley Saturday

The Woman's Auxiliary of St. Boniface Episcopal church, Tinley Park, will hold a bake sale Saturday, Feb. 28 at Cavett's Drug Store, 17060 Oak Park ave., from 10 to 12 a.m. Breads and coffee cakes will be featured. Mrs. Leonard E. Couch, chairman, will be assisted by Mrs. Thornton Stamper.

and prayers in Brad's behalf during his recent hospitalization.

ROB AND COLLEEN
BETTENHAUSEN
Tinley Park

—O—

I want to thank all who were so kind to send cards and letters to me while I was a patient in St. Mary's hospital, Rochester, Minn., and for thoughtfulness of friends and relatives since I am home. I

appreciate everything very
much.
MRS. JOHN WARNING,
New Lenox.
—O—

We wish to thank the Frankfort Fire dept. and the volunteers who so quickly assisted us at the time of the fire on our farm last Saturday.

MR. and MRS. HAROLD
ULLRICH,
Monee, Ill.

According to a House Com-

blended of something like \$100 million a year for preparations advertised as weight reducers. They include wafers, appetite suppressants, machines and other

patients, machines and other devices. Their advertising, the report says: "Is an area fraught with deception and outright fraud."

Cards of Thanks
CARD OF THANKS
 I deeply appreciate and thank everyone for their acts of kindness during our sad bereavement, the death of our son, Edith Carlton. I especially thank Rev. S. Mucci, relatives, friends, neighbors, and the Hirsch Home.
THE CARLTON FAMILY
 Tinsley Park

I wish to thank friends, relatives and neighbors for the flowers and flowers sent me in the hospital; a special thanks to the Rev. Eric and the Rev. Chas. Chert for their visits.
BERNICE KRUSEMARK
 Frankfort

I wish to extend our sincerest thanks to friends and relatives for their sympathy and kindness at the time of the death of our dear mother, Kuzelka. Also for the offerings. A special thanks to Rev. Kenneth Cranford for his many visits to the home.
MRS. ADOLPH THAMM
 Tinsley Park

St. Lawrence Seaway to Benefit Farm Economy

The farmers of Illinois, especially those in this region, will find the St. Lawrence Seaway an important factor in their economy, J. M. Arnold, traffic manager of the Port of Chicago told members of the Upper Illinois Valley Council of Soil Conservation districts at their annual meeting last Thursday night, Feb. 19 in the coliseum at Ashkum.

There will be a four to five dollar saving per ton on all products now shipped to the east coast for export, Arnold said, as well as a substantial saving on many imports, such as extracts and minerals.

The Upper Illinois Valley Council includes soil conservation districts from eight counties, Will, South Cook, Kankakee, LaSalle, Kendall, Grundy, Iroquois and Livingston. Will county was represented by Loren Sass of New Lenox township, chairman; Robert Norman, vice chairman; Richard McHugh, secretary and Charles Fletcher, county conservationist.

Those present from South Cook were Melvin Hohlving, chairman; and William Stelter, assistant director who also has served as council chairman. Their conservationist, Allen May, was unable to attend.

Some 200 persons attended the dinner which preceded the business session. Reports were made by the various officers.

Fletcher was honored for a 10-year safe-driving record and received two other awards for his office, one for eight years without an injury due to a motor vehicle and the other for three years without any accidents.

The guest speaker, Arnold, was born in Chicago, spent his boyhood on an Iowa farm, and after completing his schooling became a traffic engineer. He served as traffic manager for a railroad in New York City for 25 years and for the last six has been employed in a similar capacity by the Port of Chicago.

He said that the completion of the St. Lawrence Seaway will make Chicago the fourth largest seaport in the U.S. Seeking passage from the ocean to the Great Lakes is nothing new, he pointed out, adding that navigators first attempted it in 1535.

Tramp steamers have been coming into the Lakes for the past century, he said, bringing in linens, spices, sugar, etc. and carrying away salt, hides, etc.

When the new locks are complete, Arnold stated, 85% of all ocean going vessels will be able to enter the Great Lakes.

"Why will Chicago be one of the leading seaports of the United States, if not the leading one?" Arnold continued. "Because it is the largest city near the center of our population. It is the center of manufactured products, generators, heavy equipment, etc. It is the hub of all railroad travel from east to west. It is in the center of the richest farm lands of the world. It is the port of supply for 60,000,000 people as well as the port of exports for the products of their labors. Chicago has a direct waterway hook up to the gulf.

"The Sag Channel was declared a federal waterway in 1930, and now is being widened, so in the near future we will see six and eight barge tows instead of the two and three tows of today.

"Upon completion of the Calumet Harbor area, now under construction in and around Lake Calumet, we will have the most modern and labor saving freight handling depot in the world. Freight can be loaded directly from truck or train to a boat or vice versa as well as to the warehouse. There will be eight miles of dockage space in this area to accommodate freighters, tankers and passenger vessels. It has good connection to one of the busiest airports in the world.

"Also under construction is a one hundred acre tank farm for handling oils, fats, chemicals, etc. as well as two new grain elevators, capable of making Chicago the second largest grain handling port in

TRACE STOLEN—

(Continued from page 1)
ment by Tomaska. Tomaska is alleged to have admitted his participation.

State Police informed Mokena authorities of this and Armin's car was impounded last night.

The strip job on the stolen car was complete, tires, wheels, seats, engine, radio and everything else that could be removed, police reported.

Bosard, Chamberlin, Tomaska and Armin were arraigned on formal charges of disorderly conduct yesterday before Justice of the Peace George Williams at Joliet. Hall, who was turned over to his parents Tuesday night after he had first been taken to Joliet for interrogation, was held in the county jail yesterday. Because of his age he will be turned over to the juvenile division of the county court.

Other charges probably will be filed against the quintet when all the facts are in the hands of the state's attorney's staff, it was said.

College Choir To Give Concert at Sandburg High

Selections from an original musical, "He's Gone Away," will be featured in the concert of the Dakota Wesleyan University choir at the Carl Sandburg High School, Orland Park Sunday, March 8, 3 p.m.

Written by members of the faculty and students at Dakota Wesleyan, the musical tells the story of early Dakota settlers, their joys and their sorrows. Numbers from the musical which will be sung by the choir include "From Illinois," "Don't Leave Me Here in Sadness Valley," "The Milwaukeee," "My Mary Lou," and "He's Gone Away." The numbers will be sung in informal style with soloists and principals in costume.

The 60 voice choir is considered by music authorities to be one of the finest in the northwest. The varied program they present includes songs from the choral masters as well as present day composers. A group of spirituals is also included.

The Orland Park concert is one of a series the choir is presenting on a tour which includes stops in South Dakota, North Dakota, Minnesota, Wisconsin and Illinois. A year ago the group toured west as far as California.

Climax Campaign For Funds on Heart Sunday

Heart Sunday, Feb. 22, between the hours of 1 and 4 p.m., climaxed the month long campaign for funds to carry on the fight against heart disease—the disease which is responsible for more fatalities than all other causes combined.

Target for Heart Sunday was \$670,000—equally divided between the suburban and Chicago Communities Division.

The following committee was appointed workers in the Orland Park area: Mesdames Raymond Barry, chairman; Francis Beck, co chairman; Harry Richard, Clarence Schultz, George Schilling, Willis Young, Herbert Sterling, Clyde Young, Merrill Cooper, Clarence Kelsey, Joseph Cyrenek, Harold Niebrugge, Alex Schrader, Eugene O'Brien, Leo Szufnarowski, Robert Mulcahy and Harwood Stellwagen.

the United States. "The distance by water from Chicago to Norway, Sweden, Denmark, Holland and England is less than from New York to these same ports.

"The tolls for ship passage thru the St. Lawrence waterway is set at six cents per hundred weight for the gross tonnage of the ship plus 42 cents per cwt. for the cargo load. This will be a big savings compared to freighting it to the east coast.

"We are fortunate indeed to be a part of this progress."

Village to Name 3 Inspectors

The Tinley Park board of trustees passed three ordinances at the Feb. 16 meeting which creates offices of electrical, plumbing and building inspectors in the village, all three positions by appointment of the village president and board of trustees.

Qualifications listed are four years for the electrical inspector, five for the plumbing inspector and 10 years for the building inspector.

In reply to a question on why ten years experience was necessary to qualify for the job of building inspector, Trustee Robert Suhs, chairman of the building and zoning committee, explained that it was the conclusion of the committee.

Salaries of all three will be set by the president and board of trustees by resolution.

The ordinances explain the duties of each.

School Heads to Hear New State Superintendent

The Lincoln-Way High school board will attend the 10th annual dinner meeting of the Will County Principals and Superintendents Association on Wednesday evening, March 11, at 6:45 p.m. in the Masonic Temple, 126 E. Jefferson st., Joliet.

George T. Wilkins, new State Superintendent of Public Instruction, will discuss with us "Current Problems in Education in Illinois."

The Ludwig Junior high school chorus, Lockport township, will sing. The grade school boards and principals in the district also plan to attend.

Restoring cardiac victims to useful, productive lives is a major activity of your Chicago Heart Association's community service program. When you give to the Heart Fund, you support research and professional and public education in addition to community heart services.

Churches Hold Lenten Services

Lenten services are being held in the following Lutheran churches in the area every Wednesday evening: St. John's, 183rd st., and Trinity church, 159th & Oak Park av., Tinley Park, at 7:30 o'clock and at 8 o'clock in the Christ Lutheran church at Orland Park.

The sermon topics until Holy Week will be:

"Christ Carried Our Sorrows, When Ridiculed and Mocked," by the Rev. Henry F. Meyer, St. John's church pastor.

"Christ Carried Our Sorrows When Condemned by Churchmen," the Rev. Carl Hoeh, Trinity church.

"Christ Carried Our Sorrows When Bearing the Cross," the Rev. Adolf Lach, Christ church

Accepts Position As Sales Manager of Tinley Realty

Alex S. Radger, of 6636 Riverside drive, Tinley Park, is now associated with Tinley Park Realty as sales manager, under Leland Rayson, broker. Elmer Knudsen, former sales manager, is no longer associated with the Realty company.

The above named pastors will exchange pulpits in these churches for the Lenten Wednesday evening services. Everyone is invited to attend.

Churches in Tinley Park to announce special Lenten services are:

Peace Evangelical Lutheran Wednesday 8 p.m.

Methodist church, Thursday, 7:30 p.m.

Reformed church, Wednesday, 7:45 p.m.

Zion Lutheran church, Wednesday, 7:45 p.m.

The pastors and congregation extend a cordial invitation to everyone to attend these services.

South Suburban Druggists Form Association

The newly formed South Suburban Pharmaceutical association including members from Roseland, Evergreen Park, Harvey, Dolton, Riverdale, Calumet Park, Blue Island, Park Forest, Homewood, Hazel Crest, Flossmoor, Chicago Heights, Steger, Crete, Lansing, Tinley Park, Oak Lawn and Midlothian have elected the following officers at a recent meeting: Jack Raphael of Harvey, president, Anthony Ruffo of Chicago Heights, vice president, Michael Purpura of Roseland, treasurer, Stanley Carski of Homewood, recording secretary and Ronald Green of Crete, sergeant at arms.

Due to the rapidly growing population in this area, it is felt that such an organization is beneficial and necessary to maintain high standards of

pharmacy and to study methods of serving surrounding communities in times of emergency and also to create a group whereby local problems concerning pharmacy can be discussed and acted upon.

The organization is also one of fellowship. July 1 has been set as the date for a golf outing, details of which will be discussed at the next meeting.

The March meeting will have Paul Sang as guest speaker and all pharmacists are invited to attend. Meetings are held the third Wednesday evening of each month at 9:30 p.m. at Cherry Hills Country club, temporary quarters of Surmas, located on Flossmoor road west of Kedzie ave.

Victim of Auto Accident Shows Improvement

Wayne Willis, 19, son of Mr. and Mrs. Ralph Willis, Tinley Park, who was critic-

ally injured in an auto accident Feb. 15, in which his wife, Patricia, was killed, is still in serious condition at Oak Forest hospital. However, his mother reports there is a slight improvement and that X-rays were taken Tuesday at the hospital. Due to the seriousness of the effects of the accident, no visitors are allowed.

The work of the Chicago Heart Association, which gives top priority to research, is supported by the Heart Fund.

4-H NEWS

PRaises 4H

If you were asked what youth organizations you would think of when someone mentioned such things as service to the community, civic pride, honor, what answer would you give? Boy Scouts, Girl Scouts, perhaps the YMCA—but by no means should you leave out the 4-H Clubs. The 4H Clubs stand for this and more. In the 4-H pledge, the member pledges his HEAD to clearer thinking, his HEART to greater loyalty, his HANDS to larger service, and his HEALTH to better living, for his club, his community, and his country. While living up to this pledge, the member not only serves his community and gains civic pride, but he also learns to put to use clean, healthy living, and this is perhaps the most important of all. The availability of the 4-H Clubs and the variety of projects that a member can have, should enable almost anyone who is in the proper age range to become an active member of the 4-H club.

Support of your local 4-H clubs will enable your child or the neighbor boy or girl to take part in this wonderful youth program. Your support need not be financial, but moral more than anything else. Just let the local clubs know that you're behind them and will perhaps be willing to furnish a little transportation when it's needed or that you'll donate some refreshments for

a meeting. These things aren't too much or too hard to do, and they'll give you the extra satisfaction of being able to say that you helped the 4-H clubs grow and serve your community.

D. L. JOHNSON, JR.
Sandburg 4-H Reporter

Alpine Girls

The Alpine Girls 4-H club opened the Feb. 13 meeting by reciting the Pledge of Allegiance.

Elaine Yunker gave a report on the Federation meeting which she attended.

The possibilities of window displays being planned was discussed.

Joan Stellwagen gave rules for planning a meal. A demonstration on making a pie was given by Kay Maue, a talk on rabbits by Elaine Yunker and a talk on year-round arrangements by Betty Stellwagen.

The meeting closed with the 4-H pledge.

Refreshments were served by Melody Kee, chairman, and Nora Holtz.

The Alpine Girls 4-H club has been busy this week. They collected a total of \$92.10 for the Orland chapter of the Chicago Heart Association.

The girls will help to observe National 4-H club week by having a window display at Yunker Implement Co. South of Orland on 159th st. and Wolf road. National 4-H week is Feb. 28 to March 6.

Janice Knieriem, Reporter

HELPING HANDS

Twenty eight members of the Helping Hands 4-H club were present Friday, Feb. 20 when the president, Sharon Anast, called the meeting to order in the educational building of the Methodist church.

4-H Club Week is Feb. 28 to March 7. In observance of this week, the president will attend Bremen Home Bureau meeting Feb. 26 and extend greetings from the club to their sponsors. There will be a display in the window of the Western Tire and Auto store during the club week. Plans were made for members and friends to attend the South Cook rally March 10 at Carl Sandburg High school.

Talks and demonstrations, a very important part of club work, were on the program for the evening as follows: placing a pattern on material,

Melody Benson; spring styles, Barbara McCutchen; meat in your meals, Marietta Kluge; walnut quare, Diane Zka; personal cleanliness in the kitchen, Carol Bacon; how to set a table, Mary Beth Kretton; parts of a sewing machine, Diane Valiga; marking the grain line, Cheryl Maxa; hooks and eyes, Carolyn Howie; Peggy Putz; Pamela Neff; Barbara Johnston and Nancy Graff presented a skit on party manners.

Honey Bees

The Frankfort Honey Bees 4H club will meet March 19 at 7 p.m. in the Frankfort Methodist church. The talks and demonstrations will be as follows: Nancy Lambrecht, importance of exercise, Susan Lauffer, points on salads, Barbara Seemann, measuring wet and dry ingredients and Patty Burns, threading the sewing machine. Refreshments will be served by Betty Burns, Sharon Koenig, Mary Bell, Rita Shinkowski and Choral Elwell.

The last meeting was held Feb. 19, when talks and demonstrations were given by Elaine Mager, types and sizes of patterns, Pam Petnuck, points on vegetables, Carol Remien, snickerdoodles, and Carol Jones, first aid in the home.

Refreshments were served and games played. Pam Petnuck introduced her guest, Christine Staniz.

Sandra Harwood, Reporter

CLOVER BELLES

The Clover Belles 4H club held their regular meeting and valentine party in the home of Susan Nalepka. Sharon Dyskstra president conducted the meeting. A committee was appointed to make the window display for 4-H week.

Marjorie Andres, Carol Kimmel, Christine Klann and Marjorie Kimmel gave demonstrations and talks.

After the meeting games and music were enjoyed by the members. Carol Monson was on the sick list. Mrs. Delile Pettit was a guest at the meeting. Refreshments were served by Mrs. Nalepka. The next meeting will be held with Sharon Dyskstra in her home at 14915 S. 82nd st.

Mrs. Katherine Ihlenfeld, Leader.

SOUTH COOK COUNTY

The monthly meeting of the South Cook 4-H Federation featured the 4-H Music activity. The Do-R-Best 4-H Club, led by Mesdames Margaret Stader and Helene Mueller, Midlothian, and Luella Uthe, Markham, gave an excellent demonstration of how the music activity could be included in the local 4-H Club program. Joan Uthe, Markham, was the narrator of the program, and about 15 members of the Do-R-Best club participated. Thru the 4-H Music activity, members can learn about music, which is a vital part of our American heritage. The songs of Stephen Foster, songs of the Lincoln era, and famous marches, are some of the features. This is a real good activity, and believe me, it is not overworked. More local clubs could profitably use "Why not enjoy Music" in their local 4-H Club program.

Plans for the 4-H rally are progressing. The rally will be held March 10 at the Carl Sandburg high school. Members of the Recreation com-

mittee working on the program are: Linda Bussema, Chicago Heights, Alice Nixon, Marie Shimek, Chicago, Jean Siemsen, Richard Wille, Walter Wille, Tinley Park, Joan Uthe and Kenneth Uthe, Markham, Marilyn Nickel, Elgin, our IFYE delegate to Austria, will be the featured speaker.

A number of South Cook 4-H members appeared on a television program last Saturday. The program was seen over WGN-TV, with the following 4-Hers appearing on the program: Jim Bussema, Larry Heusman, Chicago Heights, Leslie Warning, Worth, Kenneth Uthe, Markham, Arthur Maue, Mokena, Walter Wille, Tinley Park, Anita Wetzell, Steger, Linda Johnson, Richton Park, Mary Ann Alfievie, Palos Park, Marie Shimek, Chicago.

Here are a few facts presented at the District 4-H Leaders' conference. They are not very pleasant, but they are very revealing. According to O. L. Hogsett, safety specialist and speaker at the conference, farming is the third most hazardous occupation, with 15,000 honest hardworking farmers passing from the picture each year. This amounts to about 38 per day. Accidents kill more children than the ten most prevalent children's diseases. Accidents in the home affect 30,000 people annually. Some of the causes of these accidents are: falls due to littered floors, make-shift ladders, burns, poisons, such as aspirin and sleeping tablets. It might be time well spent to take a look around your home and surroundings and eliminate possible causes for accidents.

Safety is a mental attitude, you might say. It is a habit that should be practiced every day. Just like brushing your teeth. Remember this! Accidents do not always happen to the other fellow.

4-Hers and prospective 4-Hers looking for good dairy calves should mark the date of February 28th on their calendar. This is the date of the 11th Annual Dairy Calf Sale at Urbana. Consigned to the sale will be some of the best dairy calves in the state of Illinois. This will give the 4-H members a chance to get off to the right start in the dairy business.

SCOUT NEWS

TRI-KEN

The Tri-Ken Girl Scout rally held last Sunday in Mokena, was a success and the girls felt well repaid for their many hours of labor.

Mrs. Albert Cappel presented ten year pins to two of the Mariner troop, Louise Berg and Sharon Cappel. She gave an interesting and informative talk on the growth of Girl Scouting in Mokena.

Marla Arnold and Diane Lindstrom were invested, becoming members of the Baker's Dozen, the 2nd grade Brownie troop.

The program, "Adventuring in the Outdoors" was followed by a tour of the various rooms in the school where tables were decorated to depict different phases of outdoor activities.

The heart diseases cause more deaths in the United States each year than all other causes of death combined. Your contribution to the Heart Fund will help reduce this toll.

PTA News

Mokena Unit

Mokena Parent-Teacher association officers and room mothers met at the Carpenter street school Feb. 16, to finish all business in connection with the County Fair.

The 5th grade class was honored when Mike Bernard and Nancy Carlson received the most votes and were king and queen of the fair.

The PTA wishes to thank all who helped make the affair a success.

The next regular meeting will be Feb. 24. It is hoped all members will be present to hear Dr. Claude W. Otto and Dr. Joseph Petnuch speak on health.

The 4th grade mothers will have charge of the social hour.

ORLAND PARK

Because of the religious services held Wednesday during the Lenten season, the March meeting of the Orland Park Parent Teacher association will be held Tuesday March 3, at 8 p.m. Mrs. Gordon Bendix will preside.

The nominating committee, of Mrs. Hans Bader, Mrs. Louis Wydeveld and Mrs. Anne Loving, appointed at the February meeting, will make their report.

The Carl Sandburg choral ensemble, directed by Mrs. Mary Elizabeth Pierson, will entertain with several selections.

After the business meeting, Mrs. Franklin Loebe, program chairman, will introduce Mrs. Eugene Paschall, who will give a book report, in carrying out the PTA theme for the year, "Do You Know How to Get the Most out of Reading?" Refreshments for the social hour will be served by the fourth grade room mothers, Mrs. A. J. Wheeler and Mrs. H. S. Steinfatt, and their committee.

CARL SANDBURG

A nominating committee, elected at the Jan. 26 meeting of the Carl Sandburg High school PTA, is presenting a list of candidates for office during the 1959-60 year. Those included in the list are: President, Mrs. Donald Maue (Orland Park); vice president, Mrs. George Lundin (Palos Park); secretary, Mrs. Frank Juravic (Quin-Dorn); treasurer, Sterling P. Hall Jr. (Palos Heights); and regional vice-presidents: Mrs. William J. Agnew Jr. (North Palos), Mrs. Orville Schmaedeke, Orland Park, Mrs. Clyde T. Young (Orland Township), Mrs. Harry R. Maes (Palos Heights), Mrs. Charles G. Scheurer (Palos Park), Mrs. Robert C. Rich (Quin-Dorn), and Mrs. Warren W. Weaver (Worth).

Additional nominations will be received from the floor at the March 19 meeting provided, consent of the nominee has been obtained in advance. This is in accordance with Article V, Section 3 of the Carl Sandburg High School PTA by laws.

Chairman of this committee was Mrs. Warren W. Weaver (Worth) and included Mrs. Rudolph LaVine (North Palos), Mrs. Matt L. McBride (Orland Park), Mrs. Clyde T. Young (Orland Township), Mrs. Julius Schmidt (Palos Heights), Mrs. Clifford Aulwurm (Palos Park) and Mrs. Frank Juravic (Quin-Dorn).

Thursday, Feb. 19 with Mrs. R. Boza presiding. The past presidents were special guests and were each presented with a corsage as was the current president, Mrs. Boza and superintendent Mrs. Morton.

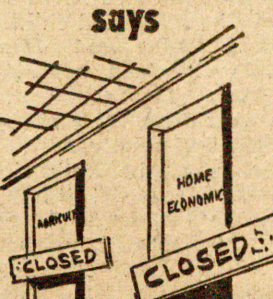

With the theme for the month being "Founders Day Review" the guest speaker, Mrs. Edward Pettijohn, chose as her subject, "The past achievements and future aims of the PTA."

Under the direction of Mrs. Bleck, the seventh grade pupils gave a variety of choral selections which were most enjoyable.

After the meeting, refreshments were served by the fourth grade mothers.

What with withholding taxes, payroll deductions and now credit cards, ordinary dough soon will join the dodo. Changing Times

Herbert Folkers Visit Professor Son and Family at Princeton

Mr. and Mrs. Herbert Folkers returned home Saturday evening after a 10 day trip of about 2000 miles when they visited their son Mr. and Mrs. George Folkers and family at Princeton, N. J., where he is an instructor in German at the University. A few days were spent visiting with Mrs. Geo. Folkers parents, Mr. and Mrs. Robert Kendall at Fair Lawn, N. J., and with various other friends enroute.

Mr. and Mrs. Robert Elsner returned Friday evening after a week's vacation spent with friends and relatives near Sioux City, Iowa.

Mrs. Lloyd Lühring was taken to Silver Cross hospital

New Lenox Twin Sisters Celebrate 74th Birthdays at Family Gathering

By DELORES ANDERSON
New Lenox 3651

Mrs. Erwin Lynk and Mrs. Will Mergler, celebrated their 74th birthday anniversary, Saturday, Feb. 21, at a quiet family gathering in the home of Mrs. Lynk on Maple road.

The daughters of Mr. and Mrs. Acker Ruland, pioneer settlers of Homer township, they are known as the Ruland twins, Edna and Ethel. Mrs. Lynk has one daughter, Muriel Korista, a teacher in the Joliet schools and two grandchildren, Stanton and Karen. Stanton is a student at Bradley university, and Karen is a sophomore at Lincoln-Way high school.

Mrs. Mergler has five children, two boys and three girls, and two of her girls are twins. She also has 17 grand children.

Mrs. Lynk and Mrs. Mergler received congratulations, flowers, cards and gifts from their many friends and relatives.

Members of the Ruth circle will meet March 31 at 7:30 in Fellowship hall for a pot luck supper. Movies will be shown of the Lake Bluff orphanage.

Novak, Dr. and Mrs. Merle Otto and Mr. and Mrs. Jack Ewing. Cards were enjoyed.

Daniel James was the name given the son of Mr. and Mrs. Ronald Senesac of Sauk Trail when baptized Sunday morning in St. Peter's church, by the Rev. Erich Bizer during the worship service. Sponsors were Mrs. Ezra Marti and Walter Plumb.

A dinner was served in the home. Guests were, the Ezra Marti family, Mr. and Mrs. Walter Plumb and daughter Judy of Kankakee; Herman Weichbrodt Sr. and Mr. and Mrs. Albert Krusemark and family. Later in the afternoon they were joined by Mr. and Mrs. Wayne Marti of Manteno, Paul Marti of Peotone and Mr. and Mrs. Herman Weichbrodt and children. In the evening, Mr. and Mrs. Emil Tewes of Chicago Heights called.

St. Peter's church board will meet in the church Tuesday evening, March 3 at 7:30 p.m. The Sunday school teachers and workers will meet next Wednesday evening, following the Lenten services.

The Senior Youth Fellowship of St. Peter's church are planning a trip to Elmhurst college next Saturday evening to see the last basketball game of the season.

The Rev. and Mrs. Armin Bizer of Northbrook visited last Thursday evening with his brother the Rev. Erich Bizer and wife.

Sunday guests of the Rev. and Mrs. Erich Bizer were Mr. and Mrs. Raymond Rowe of Lombard.

Monday the Rev. Erich Bizer attended the Northern Illinois Synod Mission board meeting held at LaGrange.

Mr. and Mrs. Lloyd Tewes were pleasantly surprised Saturday evening when a group of friends and relatives held a house warming for them in their new home on Sauk Trail.

The event was planned by Mr. and Mrs. Wesley DePorto and Mr. and Mrs. Gene Batson with about 25 participating in an evening of cards. Later a lunch was served and a purse was presented the honored couple. Out of town guests were from Joliet, Dyers, Ind., Steger and Lansing.

Roller skating sessions will not be held in the Frankfort gymnasium on Tuesday, March 3, because of the basketball tournament being held on that evening. Instead roller skating will be held March 10 and 17.

Do You Have A Gas Permit

met Feb. 20 at the home of Miss Betty Jane Malloy. Miss Harriet Lemon of Omaha, Neb., spent last week with Mr. and Mrs. Harvey Frick.

The Parent Teacher executive board meeting will be held next Tuesday night at 7:45 p.m. in the home of Mrs. John Bell, on N. Cedar road.

Donald Grund, son of Mr. and Mrs. Norman Grund, 143 Oak street, who attends Northern Illinois university, at DeKalb, has been elected president of Kappa Sigma Kappa fraternity.

At the February meeting of the New Lenox grade school Band Boosters the program consisted of several numbers given by the solo and ensemble contestants, who are going to the district contest. Those on the program were: Dorothy Gardner, clarinet solo; Steven Michalec, tuba solo; Jeffery Urban, coronet solo; brass quartet, Richard Mangum, Karen Olson, Roger Ball and Dennis Yarbrough; clarinet duet, Doreen Smith and Betty Peterson; coronet duet, Carole Hammond and Jeffery Urban.

District contest will be held March 7, at Shabbona. This year the New Lenox grade school concert band is sending 30 soloists and 7 ensembles to the contest. Milton Mojzis, band director will be starting the beginner band in March. This band is made up of pupils who graduated from the tonette program and were interested in continuing their musical talents by joining the band.

LUCKY LUKE has made it again.

He's still alive after another year of good breaks.

Lucky started 1958 with his customary good driving resolutions, but at the end his survival was only a matter of luck.

This year it will be different—absolutely no speeding, no chance taking on hills and curves, no weaving in and out and courtesy to other drivers the whole 12 months.

Good luck, Luke, which you won't need if you stick with those resolutions.—Cook County Highway Department.

of the Diocese, Father Fabian Revell, diocese director of the Fraternity of Christian Doctrine, has announced that courses for the training of lay teachers in both doctrine and techniques of teaching began last week. The courses are being held at Joliet Catholic high school on Wednesdays and at Lewis college, Route 66A, Lockport, on Thursdays. The hours are from 7 to 9 p.m. Any parishoners who are interested and who wish to participate in the teaching of Christian Doctrine, may contact the pastor of St. Jude's, Fr. Denis Hall, O.F.M.

Several new study clubs are being formed by members of the Fraternity of St. Jude's church. Among the topics studied at these meetings are: The mass; Interracial justice; the Bible; the church and U.S. history; teaching religion in the home; Christian marriage; and churches of the eastern rite. Each group selects a subject for its individual club.

Lenten devotions are being held at St. Jude's each Wednesday and Friday evening at 8 p.m. Each Wednesday there is a short devotion and sermon. On Friday, Stations of the Cross are said. Benediction of the Blessed Sacrament follows each devotion.

Business and Finance

MAURICE P. ANGLAND
For some time this column has been anticipating that

continued erosion of the purchasing power of the dollar would finally bring about a reluctance on the part of the investing public to buy government bonds as a long term investment. Too often the investor has found that the erosion of the purchasing power has eaten away at values to the point where the investor may get his dollars back on time, but where the purchasing power drop has been greater than the interest received on the investment.

Recently the government had a maturity of about \$9 billion come due for refunding or payment. A plan had been set up wherein the investor was given a somewhat better interest rate if he accepted the new bonds instead of cash. About \$2 billion of the maturing bonds requested cash instead of new bonds. The Treasury was then forced to go into the short term money market for \$1.5 billion to meet this demand.

Legislators now are demanding some sort of legislation which will, in effect, force some of the large non-banking financial institutions to purchase government bonds for a portion of their funds. The continued sale of a large proportion of their bonds to banking buyers is feared by many monetary students as when a bank buys a thousand dollar government bond, it, in effect, makes a deposit of that sum to the government's credit against which checks will be issued by the government. This has the effect of monetizing the debt. Saving and loan firms and insurance funds will likely be targets for such plans. There are no legal requirements that banks invest heavily in government bonds, but in their regulation the net effect is that they must buy government bonds. It would be most difficult and politically unpopular for legislation reaching investors other than the institutional type.

Many investors who are required by law or custom (estates, etc.) to invest in government bonds, are buying those with maturities of five years or less. This is due to the fact that they do not want to be in a position of having a long maturity and watching its value decline with purchasing power without having an opportunity to periodically start at a new plateau of value.

The preparing of the money market for any large refinancing of a government bond maturity is a very technical matter of adjusting credit and interest rates to do this under the best conditions. Having the debt tend toward such short maturities will have been ill effects on the handling of this large government debt and effect interest rates on all loans of any kind.

The Federal Reserve Board in its controls of money and credit to avoid inflation getting out of hand, must have control of credit and interest rates thru tightening or loosening credit of the country. This part of their usual regulatory activities will be hampered considerably if the debt goes into a form where there are large maturities constantly coming due. This would seem to be obvious.

Marley

Marley Couple Is Honored at Golden Wedding

By VIRGINIA SASS
New Lenox 3133

Mr. and Mrs. Frank Spiecker of Marley were honored at a family gathering Sunday in observance of their golden wedding anniversary, at the home of their daughter and family, Mr. and Mrs. Leonard Hamming and children Melvin, Marvin and Wanda in Palatine. Others present were Mr. and Mrs. Allan Larson and daughters Margaret and Valerie of Franklin Park; Mr. and Mrs. Robert Bell and Mr. and Mrs. Harold Spiecker and daughter Shirley of Joliet; Mr. and Mrs. Ralph Spiecker and children Leslie and Susan and Mr. and Mrs. Everett Bell of Marley. Mr. and Mrs. Spiecker received greetings by telephone from their son and family, Mr. and Mrs. Fred Spiecker and children Gary and Diane of Santa Ana, Calif.

Dinner was served at one o'clock. The tables were centered with arrangements of white carnations and yellow roses in gold containers. The afternoon was spent informally by watching colored movies and slides of the family. Mr. and Mrs. Spiecker were married Feb. 24, 1909 by Rev. J. F. Eaker in the Marley Community church. They have always resided in this community.

The February meeting of the Marley Missionary Society was held at the church Wednesday afternoon. The program, "World Day of Prayer," was presented by Mrs. Ray Hamer. Mrs. Harwood Stellwagen gave the devotion. The president, Mrs. Francis Nelson conducted the business session. The new committee chairmen were called upon for reports: Program, Mrs. Hamer; missions, Mrs. Robert Sproat and Mrs. Daniel Sass; remembrance, Mrs. Charles Lauffer and Mrs. Charles Sievert; ways and means, Mrs. Mary Griffin and handwork, Mrs. Everett Bell.

The remembrance committee will sponsor a bake sale at the next meeting in March. This committee also announced that a traveling basket would be started to raise money for the flower fund. Refreshments were served in the dining room by the hostesses Mrs. Francis Nelson, Mrs. Roy Walker, Mrs. Royal Corp and Mrs. Richard Beem.

Mr. and Mrs. Clayton Cleveland were guests Saturday evening in the home of Mr. and Mrs. Ed Mahnar in Tinley Park. Mr. and Mrs. Charles Sass and family were entertained Sunday evening in the home of Mr. and Mrs. Herschel Aseltine in Villa Park.

Mrs. Louis Sass is a patient in Silver Cross hospital.

Mr. and Mrs. Daniel Sass entertained at a buffet supper in their home Sunday evening in observance of their birthdays. Guests were Mr. and Mrs. Loren Sas and daughter, Verda Jo, Louis Sass, Miss Cora Hyink, Frank Liszt Sr., and Frank Liszt Jr. Mr. and Mrs. Fletcher Bion entertained in their home Saturday night. Guests were Mr. and Mrs. Eugene Anderson, Mr. and Mrs. Loren Sass, Mr. and Mrs. Ralph Spiecker and Mr. and Mrs. Otto Moravec.

Mr. and Mrs. Clayton Cleveland were Sunday visitors in the I. A. Cleveland home in Orland Park.

Enrollment in Two-Year Colleges Booming, Magazine Report Reveals

By 1970, up to 50 per cent of college students in New York and California will be enrolled in the 2-year college, predicts the editors of *Changing Times*, the Kiplinger Magazine. Twenty-five per cent of all students going to college these days are attending junior college.

Why would anyone want a junior college education instead of a regular one? Many reasons, say the editors.

COST. More than half the two-year colleges are tuition-free for locals. And even where tuition is charged, it's often quite low.

Convenience. Most students attend junior colleges that are near home and many save money during their two years to pay for the years of advanced study.

Curriculum. Junior colleges often give preprofessional and vocational courses that aren't available in four-year institutions.

ADJUSTMENT. For many a student, the switch

to college from high school is too great a step. The two-year college provides a n excellent transition during which the student matures and has time to decide whether to go on.

How do junior colleges rate? About a quarter of the freshmen at junior colleges rank above the average freshman at a four-year college and students who transfer from junior colleges usually do about as well as those who start at four-year schools.

Most four-year colleges do accept students from two-year schools. In fact, more and more are planning to reserve spaces in the upper classes for them.

Of course this doesn't mean that any student would be wise to go to a junior college. A college should be chosen in terms of a youngster's needs and interests. If he's planning on four years or more and knows where he'd like to go he ought to head there—if he can.

Lincolnwood

4-H Club Will Display Craft In Mokena Store

By DELORES ANDERSON
New Lenox 3651

The Busy Hour 4H club met Feb. 20 in the home of Miss Betty Jane Malloy, East Circle drive. The girls discussed having a window display in the Dunham hardware store, Front street, Mokena, March 2 thru 7, honoring 4H week. The next meeting will be held March 20 at 7:30 in the home of Virginia Mancke, LaPorte road, Mokena.

Mrs. Walter Thode returned Saturday from Silver Cross hospital where she was a surgical patient.

Mr. and Mrs. Donald Hunt are parents of a daughter, Lee Ann, born Feb. 10 in Silver Cross hospital.

Mr. and Mrs. Roman Nowicki spent the past week end in Mokena with Mrs. Jetta Glow and daughters. Mrs. Glow underwent surgery in St. Mary's hospital in Kankakee this week and Mrs. Nowicki is spending a few days in Mokena caring for the girls.

Mr. and Mrs. George Thode and son Kurt of Chicago spent Wednesday and Thursday here with his father, Walter Thode

and visited with his mother who was a patient in Silver Cross hospital.

The Schmul school Community club will meet Friday, Feb. 27 at 7:30 in the Schmul school. Coffee, pop and cookies will be served by the 6th, 7th and 8th grade mothers, who are hostesses.

Mr. and Mrs. Clifford White and family attended a family birthday celebration honoring his aunt Mrs. Richard Erickson, at the home of Mrs. Fred Brown in Marley.

Cub Scout pack 41 enjoyed a potluck dinner and pack meeting Wednesday night at the Schmul school, at 6:30. Mrs. Ralph Oldt was chairman.

Mr. and Mrs. William Hocker entertained in their home Saturday afternoon at a party, honoring the 8th birthday anniversary of their son Dennis. Games were played and prizes awarded. Favors were presented to each guest. Dennis received many nice gifts.

Refreshments were served at a table centered with a decorated birthday cake, and individual miniature cakes decorated each place. Guests at the party were: Randy and Jerry Konkell, Bobbie Newsome, Fred Cortright, Jr., Ralph Oldt Jr., Jim Mills, Ricky Otis, Richard Pokorny Jr., and Charles Chladek.

Mrs. Ed. Foutz has returned from Silver Cross hospital where she was a surgical patient for 10 days.

many. A veterinary food inspector in the port's 100th Medical Detachment, Specialist Mullins was chosen for his soldierly appearance, knowledge and performance of duties and military courtesies.

Mullins, whose wife, Joan, lives at 16936 Willow Lane dr., entered the Army in 1947. Among his awards he holds the Purple Heart and Combat Infantryman Badge. The 28-year-old soldier attended Fairmont (W. Va.) high school. His parents, Mr. and Mrs. Sam

THE NEWS-BULLETIN
Thursday, Feb. 26, 1959 Mokena, Illinois Page 11

A Sailor's Life Has Become One Of Woe and Trouble for Tony

(CNS) The government filed a nine count criminal information in U. S. District court Monday charging obstruction of navigation on the Illinois waterway, by Tony Plebanik, 45 years old, 10751 Church st. Chicago, a grocer who owns a small motor boat for weekend amusement.

According to Assistant U. S. Attorney Robert F. Monaghan Plebanik was at the head of a 20 boat pleasure boat flotilla last August 20 when he committed, in sequence, the following violations according to the complaint:

1. Tried to enter Dresden Island Lock and Dam below Joliet in his boat, the "Towel-Knee", in front of a merchant vessel, the "Roy Mechling" carrying 1,000 tons of coal. Under the River and Harbors act, pleasure boats must yield right of way to merchant vessels, Monaghan explained.

2. Refused to remove his boat from the lock when ordered to do so by the chief lockman, Rome I. Graham.

3. Trespassed on government property by mounting the river wall and walking on the lock and miter gate.

4. Threatened to assault Graham.

5. At the Marseilles Lock and Dam, maneuvered his boat ahead of the barge "City of Joliet" carrying 5,000 tons of steel.

6. Again refused to remove

Mullins, live at 104 Calvia st., Watson, W. Va.

his pleasure boat from the lock.

7. Again climbed the lock wall.

8. Again refused to remove himself from the lock house.

9. Assaulted Julius D. Berth, chief lockman.

All except the assault charge carry a maximum penalty of six months in prison and \$500 fine, while the assault is punishable by a \$300 fine, Monaghan said. Plebanik will post \$500 bond pending an appearance March 9 before Judge Michael L. Igooe.

Plebanik has been sailing for several years, Monaghan said.

LINCOLN LOG

Lincoln-Way High school of New Lenox held a special series of classes in guidance counseling for its senior class last week, Feb. 16-19.

James I. Toy, assistant vice-president of the Joliet Federal Savings and Loan Association, spoke to the entire senior class on Monday morning. Toy's subject was "How to Make a Million Dollars." He felt that one could attain any goal if it was desired. "Thus," he said, "it is important to have a goal."

For the remaining session, the seniors were divided into six groups. Girls going to college, girls interested in business, and the undecided group called "exploratory" constituted the first three groups. The boys were segregated in the same fashion.

Robert Hendricks, from the Illinois State Employment Service, discussed "Employment Trends" with the girls in the business interest section. Hendricks stated that his office had numerous jobs to fill but there were not enough qualified ladies to meet the demand. This one group, stenographers and similar jobs, did not suffer through the re-

cession as most other groups. The girls heard Miss Florence Knize of Silver Cross hospital explain the various aspects of nursing and the needs for more nurses. A representative from the Patricia Stevens organization discussed the many career schools; such as airline hostess, modeling and other allied jobs for girls.

Miss Barbara Sprayberry, chairman of physical education department, and the senior girls with college in the future, examined the most basic facts about the American college and the work to be done there.

The housing, tuition fees working part time, and even class schedules were the major questions explored in these sessions with Miss Sprayberry.

Sgt. Hanks of the U.S. Air Force spoke to the entire group of boys. His remarks concerned the various programs that the Air Force offers to the youth at the varied educational levels.

The boys listened to the co-operative, summer and graduate education opportunities of Caterpillar Tractor Company from Jerry Plank, Caterpillar representative.

The Joliet Caterpillar plant offers, according to Plank, an apprenticeship training program that will eventually qualify a man for a foreman's position with the firm.

A co-op venture is a semester in college and one semester working at Caterpillar. The summer program includes two semesters of college and a summer at Caterpillar. All are integrated to help the men apply the learned theory from college.

Ron Whitaker of Whitaker's Insurance agency spoke to the boys exploratory and business groups on the type of jobs that can be had without a college education. A major portion of his comments concerned the field of insurance.

Mr. Whiteside of the Joliet Social Security Office explained the possibilities in government and civil service for the next few years to this same group.

Dean Rowley of Joliet Junior College concluded the guidance classes for the senior boys in college-bound. Dean Rowley suggested that the Junior College was a golden opportunity for three reasons: "Much money can be saved for your next three years; deficient high school credits can be made up; you are known personally, and as freshmen, you will not be roughly treated."

Lincoln-Way has a program of guidance beginning with the freshman class. Mrs. Alice Gorman, Director of Guidance and Counseling, is maintaining the regular guidance endeavor.

Each Wednesday morning, at the regular Activity hour, the classes meet for guidance.

House Warming Is Given for Edward Tylers

By MRS. EMIL WILLE
Frankfort 3161

Mr. and Mrs. Ed Tyler were guests of honor at a surprise house warming Saturday evening. They moved into their new home about a week ago. There were 68 relatives and neighbors and friends present. A pot luck supper was served and all had a lovely time.

Mr. and Mrs. Tyler received many nice gifts. Linda Alton, 5 year old daughter of Mr. and Mrs. Lloyd Alton, had her tonsils removed last Monday in Silver Cross hospital. Mr. Alton is the principal of Ann Rutledge school.

Protestant Youth Group Meets At Homer Church for Service

By ELIZABETH ANDERSON
Lockport 886W2

The United Protestant Youth Group of Lockport met Sunday evening, Feb. 22, at Homer church from 6 to 9 p.m. The theme of the meeting was "Every man beareth the stamp of the whole human condition". Decorative posters and placards made by Mrs. Ralph Reiter Jr. and members of the Homer Youth group were displayed in the church. The business meeting was conducted by James Lund of Lockport, president of the group. A discussion on the theme was led by Rev. Moulthrop. Refreshments followed by a dramatic worship service arranged by the Homer P.F. completed a very worth while evening.

The meeting of the Lenten Study class will be held at Homer church this week on Wednesday evening instead of the customary Friday.

The food sale sponsored by the Missionary society at the Borman farm machinery sale Wednesday, was a financial success in spite of the cold weather, or partly because of it. The women who braved the cold to serve are to be commended.

Mrs. Mabel Deininger of Joliet, formerly of Homer, and Don Cagwin, son of Mr. and Mrs. Elwyn Cagwin, won several prizes on the eight Hereford and Shorthorn steers which they showed at the recent Southwest Exposition and Fat Stock Show at Fort Worth, Texas.

They had entries in the junior yearling, summer yearling and senior yearling classes, which won for them four firsts, three seconds and one third ribbon. The show was the largest in its 62 years of history.

The Missionary Society will hold a bake sale at its meeting at the church today, (Thursday).

The Homer school club of 33-C held their monthly meeting Thursday evening at the school house. Routine business was transacted and plans for the closing day picnic were

been confined to Silver Cross hospital the past week, for observation.

Patty Tyler was sick with the flu last week.

Mr. and Mrs. Robert Wheeler and Mr. and Mrs. Jay Bissell spent Sunday with Mr. Wheeler's father, Arleigh Wheeler, at West Chicago. They also visited Mr. Robert Wheeler's aunt, Miss Ethel Wheeler at the General hospital at Geneva.

The upper grades of Ann Rutledge school held their monthly party Feb. 20. The chaperons for this party were Mr. and Mrs. Cal Heath, Jr., Mr. and Mrs. John Van Donk, Charles Jones, Mrs. Dwight Nicholson and Alice Niedringhaus. The next party will be March 6 in the school.

Mr. and Mrs. Dwight C. Nicholson entertained at dinner Sunday in their home, in honor of their daughter Mrs. Jack Newton, who was celebrating her birthday. Those present besides the honored guest were her husband, James and John Nicholson, Mr.

discussed, also plans for a roller skating party to be held in April.

Final arrangements were completed for the spring fashion show to be held at the school March 6. Permission was asked and granted to the Ladies' Fire Auxiliary to use the coffee urn belonging to the club.

Members of the eighth grade graduating class will have an opportunity to choose between a party and a dinner as a special treat for them and their parents before graduation.

Entertainment for the meeting was arranged by Mrs. Donald Culp, with prizes being won by Mrs. Russell Thomason, Mrs. Alvin Welter and Mrs. Alice Phillips. Refreshments were served by the sixth grade mothers.

The Wayside Workers' circle of King's Daughters will meet at Homer church Thursday, March 5, at one p.m. with Mrs. Robert Shepherd Sr. and Mrs. Robert Burch as co-hostesses. State and county dues will be due at this meeting.

Mr. and Mrs. Kenneth Giltner are the parents of a daughter, Debra Lynn, born Feb. 10 at Silver Cross hospital. She weighed 7 pounds and 12 ounces. The little girl's mother is the former Marilyn Lein. At present she and the baby are living with her parents, Mr. and Mrs. Edwin Lein, 138th St. Mr. Giltner is with the armed forces at Elsworth Air Force Base in South Dakota.

Mrs. Bessie Reed of Chicago, formerly of Homer, was among the many who were injured by falling on ice this winter. She sustained a broken elbow and is recuperating at her home at 1615 Hinman, Evanston.

Rev. James Elvig of Wheaton will preach at the Homer church Sunday morning, March 1. He is a candidate for the position to replace Rev. Roy Hanson whose pastorate will terminate in April.

and Mrs. Don Potter Jr., Billy Weber of Mokena, and Mr. and Mrs. Robert Nicholson and family.

Linda Wheeler celebrated her sixth birthday Friday at the kindergarten which she attends. Cake and ice cream were served to her little friends. Games were played.

All things were made by Him; and without Him was not anything made that was made.—(St. John 1:3.)

Almighty God made the limitless universe—our sun, and the millions of suns beyond it, and this tiny planet upon which we live. And He made each of us, in His image. Each of us is one with God, as each sunbeam is one with the sun.

Orland Park

Name William Adams Red Cross Representative in First Aid

By MRS. LILLIAN KNOX
Fieldbrook 9-0211

William Adams, 10096 W. 147th st., has been appointed American Red Cross community First Aid representative for Orland Park by William Slager 9542 S. Homan ave., Evergreen Park, area supervisor for the Chicago Chapter of the American Red Cross. He will serve a term of one year.

Adams will interpret first aid services to community organizations such as civil defense, firemen, policemen, civic and social organizations, and will arrange for standard and advanced first aid courses for these organizations.

It will be part of his duty to organize and instruct a group of volunteer first aid instructors in the community and to hold occasional meetings with his instructors to discuss the needs and development of first aid in Orland Park.

During the past year, the Chicago Chapter, which is the largest in the United States, covering all of Cook and DuPage Counties, certified 25,755 persons in 1,137 first aid classes. In 36 accident prevention classes, 1,457 certificates were issued.

Any group wishing to organize a Red Cross first aid class should contact Adams.

Mr. and Mrs. John R. Coghill are spending a few days at Del Monte lodge, Pebble Beach, Calif.

Miss Marsha R. Vleck is a member of the touring Oberlin College choir, which will tour the six eastern states and present 11 concerts during the college's spring vacation, March 21 thru 31.

Marsha, a freshman in the Oberlin College Conservatory of Music, is the daughter of Mr. and Mrs. Raymond M. Vleck, of Box 164, RD 1.

Rachel Hislop of 13548 Crescent drive was one of 20 students of the 1961 class of the Evangelical Hospital School of Nursing who received caps in services held Sunday at Immanuel Evangelical and Reformed church, Evergreen Park.

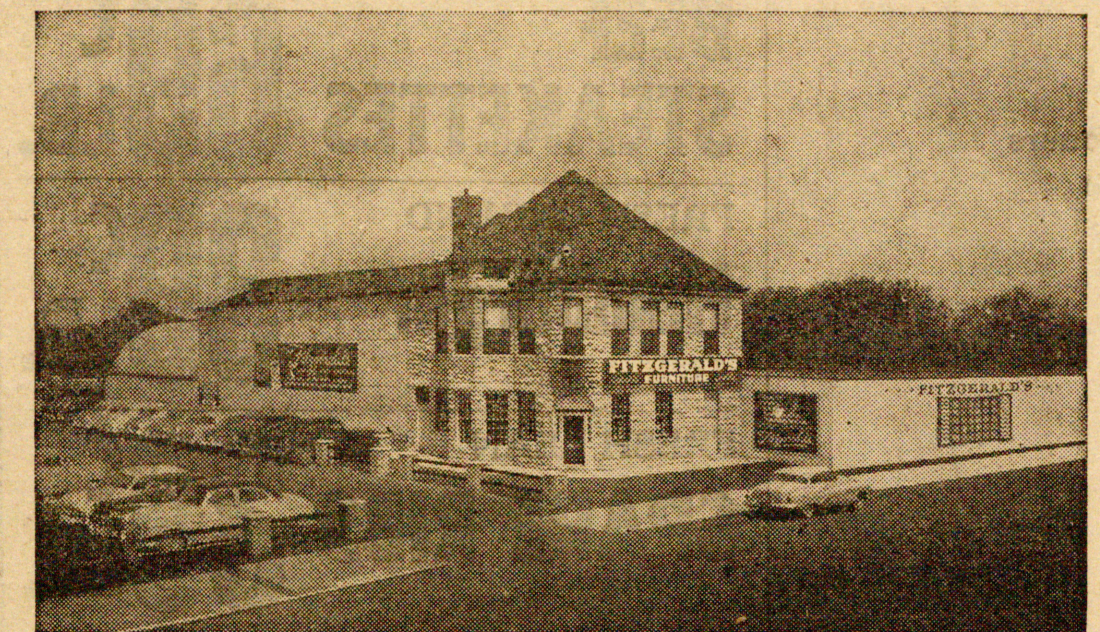

Howard C. Yunker of Maywood spent a week's vacation at the home of Mr. and Mrs. Ben Yunker. Last Sunday, the Yunkers were dinner guests of Howard at Valley View Farm.

Mrs. John Loebe was called back here while visiting her daughter Ruth and husband, T. Thomas in Battle Creek, Mich., because of the death of

THIS GOLD STAR MARKS THE ...
WORLD'S FINEST RANGES...and they're GAS!

This new Gold Star Award on a NEW GAS RANGE
Certifies it is more than 28 Ways Better!

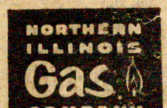

The Gold Star Award sets new standards of excellence in gas ranges... they're certified to have 28 or more important advances in performance, automation and design. Only the finest ranges from the world's foremost makers can qualify for this coveted Award. Here are just a few of the more than 28 points of excellence... available on your new Gold Star Award Gas Range:

- Burner-with-a-Brain (Thermostatically controlled)
- Self-lighting broiler, oven and top burners
- Automatic "off-on" clock-timer
- Automatic meat thermometer
- Thermostatically controlled built-in griddle
- Automatic rotisserie
- Oven-ready light, interior oven light
- Rust and stain resistant materials throughout
- Lift-out burners that are easy to clean
- Lift-out oven bottom
- Smokeless broiler, waist-high in many models
- Friction-free, sag-proof racks and drawers
- Extra-thick, heat-holding oven insulation
- Cool miniature pilots for oven and broiler

AND REMEMBER... GAS cooks faster, cooler, cleaner... and at lowest cost!

Never Trust A Bureaucrat

We take no pleasure in being the bearer of ill tidings. Nor do we relish the prospect of watching the Will county taxpayers take another belt in the pocketbook.

In most instances the taxpayers themselves are to blame because they never seem to get it thru their skulls that the only money handed out by government agencies comes from the TP's pockets and not from some ever-bearing money bush.

But in the case of the Will county taxpayers this spring they are not to blame. They are the victims of bureaucratic double cross... and who knows? ...perhaps if the results are expensive enough they will learn what the hill people learned long ago—never trust a revenueeer.

Under the present state laws the Illinois department of revenue is supposed to establish a uniform system of assessments so that tax bills will be fair.

Just how the department does this is not clearly explained. Some claim it is done with mirrors, some say it is white or black magic, with a suitable accompaniment of incantations and legal hocus pocus. However it's done the department reaches down into a bag and comes up with a number which is called a factor or multiplier.

These multipliers start at one and go up. Just how far up they go is not known to us but apparently the sky is the limit.

A multiplier is assigned to each county and is used, as the word indicates, to multiply the assessed valuation placed on each piece of property, real or personal. The result is called the equalized valuation.

Theoretically the equalized valuation is supposed to be about 55% of the fair market value of the property. The equalized valuation also is used in figuring your tax bill.

If the tax rate where you live should be \$4 per \$100 of assessed valuation and the assessed valuation were \$2,000 the amount of your bill would depend upon what the multiplier does to it.

If the multiplier is one the assessed valuation becomes equalized valuation. In that case the tax rate of \$4 per \$100 would be multiplied by 20 and your tax bill would be \$80.

If the factor or multiplier given by the state were five then the equalized valuation would be 5 x \$2,000 or \$10,000. In that case the tax rate would be multiplied by 100 so your tax bill would be \$400.

Last year's multiplier for Will county was 6.667. Originally the revenue department had made the Will county factor well over seven but finally yielded to political pressure and reduced it to 6.667.

The bureau boys call this a gift which prompted a Mokena taxpayer to observe that if that was a gift what a blessing it would be to go thru life empty handed.

How the state arrived at the 6.667 factor is one of those mysteries. The answer may be a mystery too. The department of revenue will give you one all right. But like most government bureaus the answer will be in govern-

ment double talk and so involved that you won't understand it. Don't fret or develop an inferiority complex over that, however, because in all probability the Joe Bureau who gave it doesn't know what he is talking about either.

To get away from this high factor which was breaking the backs of many property owners, the Will county treasurer's office and the board of review last year held powwows with the revenue department and came away with what they understood to be a solution.

Will county officials understood the state revenue officials to say that if the assessments in Will county were brought up to 55% of the fair market value a factor of one would be assigned.

They came home and explained this to the assessors; they explained it to the property owners. Methods said to be advocated by the state were used in arriving at values.

When the books were done it was found that New Lenox and Crete valuations were well below the 55% level. There were other spots where adjustments were needed but these two townships were said to have been the lowest. Adjustments were made in both by the board of review and county officials set back to wait with confidence for a one factor and in recent conversations with the department of revenue urged that such a multiplier be assigned.

They pointed out to the state that most of the property in the county was assessed at 55% of the fair market value as advocated by the revenue department. Whereupon the revenue department figuratively raised its eyebrows and in effect said:

"What in the world are you talking about? Fifty five per cent? Where did you get that? Who told you that you would get a multiplier of one if your assessments were 55% of the market value?"

The revenue boys are shaking their heads in wonder. They can't understand how or where Will county officials got the idea they might get a one factor for the county if they got the assessments up to—what was that figure? Oh yes, 55 per cent. An odd number that. The department of revenue never heard of it.

The department of revenue will send the multiplier along to the county clerk's office one of these days. Someone at Springfield, maybe even Richard Lyons, the director, will flip a coin, consult a ouija board or a crystal ball and come up with the figure. Mr. Lyons is no mean hand at magic himself when one considers how long he has managed to remain at the trough and he should be able to conjure up multipliers with his eyes shut.

And from the looks of some of the factors it is difficult to believe they were chosen by anyone with his eyes open.

If the department of revenue gives Will indications are that it will, it is going to be rough on the people whose property is assessed at around 55% of actual value.

The moral of this is never, NEVER trust a bureaucrat. He is always reaching for your pocket and he has a big hand.

Your Doctor Reports

COMMON CHILDHOOD DISEASES: Part I

Each year brings its share of the common illnesses to our infants and children. Parents are repeatedly faced with the problem of nursing a child thru a minor but distressing sickness and usually this involves, at some stage, medical decisions on the part of the parents: what to think of this or that symptom, whether to call the doctor, and so forth.

The great majority of these childhood diseases can be divided into three groups: colds and respiratory infections, stomach and intestinal flu, and the so-called contagious diseases such as mumps or measles. Since parents so frequently find themselves called upon to be the home-front "doctor" in medical conditions of this sort, it should be worthwhile to review a few elementary facts and rules which can be of great service under most circumstances.

It is important to realize that these illnesses have a great deal in common, even though the symptoms vary. They are all infections, and each one is caused by a virus. As a result there is no medicine of any kind, anti-

biotics included, that can shorten or actually cure the illness. Sometimes complications develop in the course of such a disease and these usually can be treated successfully with antibiotics. However the original condition is unaffected by "wonder drugs" and their use early in the course of the illness does not even prevent complications as a general rule.

Consequently proper care of the sick child involves primarily control of symptoms until the disease runs its course. This is true whether the patient is six months or six years of age, whether the illness is stomach flu or chicken pox. At any age and in any of these conditions, the early symptoms usually include fever, aches and pains, loss of appetite and irritability. A little later on, the disease becomes recognizable with the appearance of further symptoms.

In any phase of these infections, and especially in the early stages, the safest and most useful medicine is aspirin. Regardless of the cause of the symptoms, aspirin will help relieve fever, aching and crankiness. Especially in babies and young children, there is a period in the disease when the fever continues to rise despite proper aspirin treatment.

This is a customary part of the illness and need not cause undue alarm. At such times, alcohol sponge baths, cool water enemas and aspirin will ordinarily bring down the fever. These crises occur only once or twice in the course of the illness and even though it may require constant sponging with alcohol for as long as fifteen minutes at a time to control the fever, successful handling of this problem usually carries the child over the worst part of the infection. Persistent high fever which cannot be relieved in this fashion should be reported to the doctor.

During the period in which the child looks and feels most sick, it is advisable to restrict feeding to liquids only, since heavier food often produces stomach upsets and there is a need for extra fluids to replace what is lost from the body by the sweating that follows decline of the fever.

In the next issue we shall discuss treatment of the special symptoms which develop later and which tell us the disease is measles or stomach flu or bronchitis, as examples.

capacity of village engineers. The board could hardly have originated the change inasmuch as by their own admission they have no technical knowledge in the field of sanitary engineering.

Would the election of a new village president have any bearing on a decision to make such a change?

Hardly, his grasp, engineering wise, is no more comprehensive than that of the members of the village board.

So what have we? An engineer still on the payroll who was the author of the plan, a village board in office under whose supervision and direction the plan was formulated, a village president, with no engineering background, newly elected to office.

Advice certainly could not have been forthcoming from Walter Wilson and Associates because they do not enter into the picture until February 3, 1958; almost a year later.

Somewhere then between the months of March 1957 and February 1958 a change in engineering approach to the sewer program was born.

As stated above, such a change could not have been initiated by anyone holding village office due to their admitted lack of engineering knowledge.

Again I ask, by whose desire, whim, or personal opinion was a system, long range in scope, costing \$800,000 discarded, and a new one adopted, also long range in scope, but wearing a price tag of \$1,655,000?

John J. Murphy
President Parkside Homeowners Assn.

More On Sewer Question

Dear Sir:
Recently you published a letter from a John Murphy, who signed himself "President, Parkside Home Owners Association". I hope no one takes him seriously, or believes that he really represents all of Parkside.

I have lived here for over three years, and only know Mr. Murphy by your reference to him and the letter he wrote. None of my friends in Parkside know him, nor do they belong to his association. Having heard of his performance, I want to be on record: He does not represent me; I do not agree with his opposition to the sewer proposal; if I am to be represented at village meetings, I want it to be by a person with mature judgment.

In your article, Mr. Murphy

is quoted as saying the proposed system is too big. We should have one that would serve for 15 years. He seems to miss the point that it costs very little to put in large pipes while the ditches are open; it would cost considerably more to dig it all up in 15 years to meet what might be our population needs at that time. If we do have a sewer system, I'd like it to be adequate, not one that will require expensive modernization about the time my son gets to high school.

Mr. Murphy seems to prefer a shallow system making use of lift stations to move the sewage. I understand that in explaining this point he gave an excellent commercial for Westinghouse Lift station equipment. Personally, I prefer a "gravity powered" system that would best serve Tinley Park, rather than one that might benefit a company Mr. Murphy admires. I've never heard of gravity failing, while electricity sometimes does.

We've added to our schools four times in ten years. We have one of the largest birth rates in the county. We're in an excellent location for growth related to the new Seaway. Let's do this sewer job, and do it right; not fall for false economy that could cost us additional money in another few years.

William Burnette
6637 Parkside Drive
Tinley Park

ENGLISH VS. TV ENGLISH

Dear Sir:
I read your editorial on "Few Students Excell in English" with interest. I have felt for a long time that I'd like to express myself on the poor English in use by our population.

Since children and adults learn by repetition and TV is our universal pastime, why don't we start by cleaning up TV grammar? Does the bad man always have to use "them" instead of "those", "done" instead of "did", "seen" without "have, has, or had", etc? Why not give our English teachers by exposing the children to correct grammar at every possible turn? If a radio or TV announcer makes an error in pronunciation or English, he is besieged with letters correcting him. Why are the movies and TV allowed to murder the language without protest and to the ut-

ter confusion of us all?
Thank you.

Yours truly,
Mrs. Louise M. Kelsey

—O— PRAISES SCOUT AID

Dear Sir:
In the past two weeks there have appeared articles in THE TINLEY PARK TIMES stating that the only Boy Scout Troop in Tinley was filled and a request was made for a Scoutmaster for another troop. As a parent, I am glad to know that someone has come forth and another troop will be formed.

However, it is only right that the public know there was a second troop, not within the village limits, but made up completely of Tinley Park boys. This is No. 256 which is composed of two patrols under the leadership of Gene Kelley. They meet each Saturday afternoon in the old Kirby school.

On Saturday afternoon, Feb. 14, Mr. Kelley along with two fathers of Scouts in the troop, took twelve of the boys on a trip to the Museum of Science and Industry.

I am sure none of those in Tinley Park or surrounding areas who are leaders of youth groups want any more reward than seeing the youth get ahead, but it is a little disturbing when their efforts are not even recognized.

Sincerely,
Youth Leader

—O— Emergency Squad

I am writing this letter in recognition of the fine job the Tinley Park rescue squad did Sunday, Feb. 15, after the terrible accident at 164th and Oak Park ave.

I have witnessed the pick-up and transporting of injured people before, and I have never seen a group perform as well as these boys from Tinley Park did. I don't know where these men got their training, but they could sure pass some of it on.

I want to say that Tinley Park has a rescue squad that they can well be proud of.

Guy T. Mason

Dear Sir:
The American Legion Auxiliary of Tinley Park collected 372 pounds of clothing in their recent "Need a Lift" drive.

The Auxiliary thanks all who participated and donated clothing to the drive.

BETTY GAGER,
Child Welfare Chairman

On Second Thot

by
Glenn F. Logan

In looking over a clipping from an old daily newspaper dealing with health matters, one cannot help but be impressed with the fine, high, disregard of consequences displayed by the editors of that day.

It was a day when practically every family had its favorite remedies for the various ills that beset man. Recipes for a variety of concoctions intended to aid suffering mankind were handed down from generation to generation, along with treasured recipes for special dishes.

These choice cookery recipes were usually top secret. And when they were given out it was likely that some ingredient was withheld or increased so that the dish prepared by the recipient failed to equal the taste of that prepared by the owner of the recipe.

You must remember that in those times a woman's chance for acclaim and fame lay in her homemaking and culinary skills. Woman's career, like her place, was pretty much confined to the home. Under these circumstances one can understand that if Mrs. A's coconut cream pie had top billing at all festivities she would be reluctant to share the secret of her success with friends and neighbors who in reality would be her competitors.

And if men gave her skill the supreme accolade of asking their wives what it was their coconut pie lacked that Mrs. A's had, wild horses couldn't have dragged the recipe from her.

But remedies were a differ-

ent matter. Everyone as willing to share their remedies. In fact it was next to impossible to avoid having them thrust upon one.

Let a person complain of not feeling well and immediately he was besieged by friends and neighbors who had just the thing for what ailed him. It didn't matter whether it was just the sniffles heralding a cold; a fever, which might indicate almost anything; a sprain; a fracture; rheumatism; fallen arches; or housemaid's knee.

Practically every family that could afford one had a "doctor book" that not only told what to do until the doctor got there but went on to list all of the known diseases and their symptoms, with special chapters on setting broken bones.

Thus it was that everyone sooner or later became a diagnostician. If one looked a mite peaked it were best that he kept to the confines of his home. If he decided that a little exercise was indicated he probably would have had been stopped half a dozen times in two blocks, with each stopper giving him a different prognosis and prescribing his favorite remedy.

Women exchanged prescriptions freely, especially those dealing with children's ailments. Some required the professional touch of a pharmacist but many could be compounded at home.

Some of the ingredients were purchased at stores or from persons who gathered and prepared herbs and plants of medicinal value. Sometimes people gathered such material themselves.

And while we are inclined to dismiss such remedies as old wives notions, science has found some of them of sound, therapeutic value.

Some of our popular medicines today may seem a bit odd too 50 or 100 years from now.

On the other hand some of the old cures not only were worthless but could

have decidedly unpleasant results.

And if a person managed to escape personal contact with the amateur diagnosticians it didn't mean he was away free. They got at him thru the newspapers. These do-it-yourself home medics wanted to spread the word so they wrote letters to the editor. And the latter either didn't care what happened to his readers or had some space to fill or may have regarded them in the same light as a practical joke. Or it could be that he believed in them himself. Anyway he would publish these remedies and a lot of nasty tasting conglomerations were swallowed as a result.

In the clipping referred to at the beginning of this, there are a variety of cures regarded as surefire by contributors.

They cover a variety of ailments. One dealing with gallstones called for one drop of fluid extract of hydrastis canadensis taken morning and evening in a little water. His wife took this for a year and thereafter had no trouble, the man wrote, and many of their friends used the stuff "with the same happy results".

However, he began his contribution by stating that when his wife was living "she was of the type described as being especially liable to have gallstone trouble." Whether her demise was the result of the remedy or the gallstones emerged triumphant in the contest without the writer having been aware of it is not explained. His reference to friends who used the prescription "with the same happy results", leaves one to wonder.

Home remedies for whopping cough included two grains of quinine three times a day. It stopped the hard coughing and was a tremendous tonic, the writer stated. She didn't say but it is possible that the adults in the family took larger doses of quinine and the resultant ringing in the ears was so loud they couldn't hear

Another mother swore by oil of eucalyptus, applied to the chest, of the sufferer. There is a question as to whether this would stop the whooping cough but it should have kept others from coming to close and therefore prevent its spread.

Theoretically the chunk of asafetida sewn into a small cloth bag and suspended around the neck of the luckless child should have made an epidemic of anything impossible but inasmuch as the asafetida wearers were all kids and each was so filled with the fearful smell emanating from his or her own chest they never noticed it on anyone else and so played and romped and exchanged germs as usual.

Just think of what a school teacher must have gone thru, presiding over a roomful of such youngsters.

Powdered skunk cabbage mixed in a spoonful of blackstrap molasses was another remedy for whooping cough. Cutting a raw potato in two and rubbing the juice over warts was the only way to get rid of such blemishes, according to some. Another school rubbed the warts with a piece of raw beef and then buried the beef. When it decayed, the warts disappeared. But all that wasn't necessary. Practically every community had persons who could cure warts. They just rubbed a thumb over the offending lump, told you the wart would go away, and darned if it didn't in time. I had a grand father who could conjure warts, and there are still a lot of people who claim can do it.

Another came up with a cure for hiccoughs which probably would have been quite useful after undergoing one of the remedies offered for pneumonia.

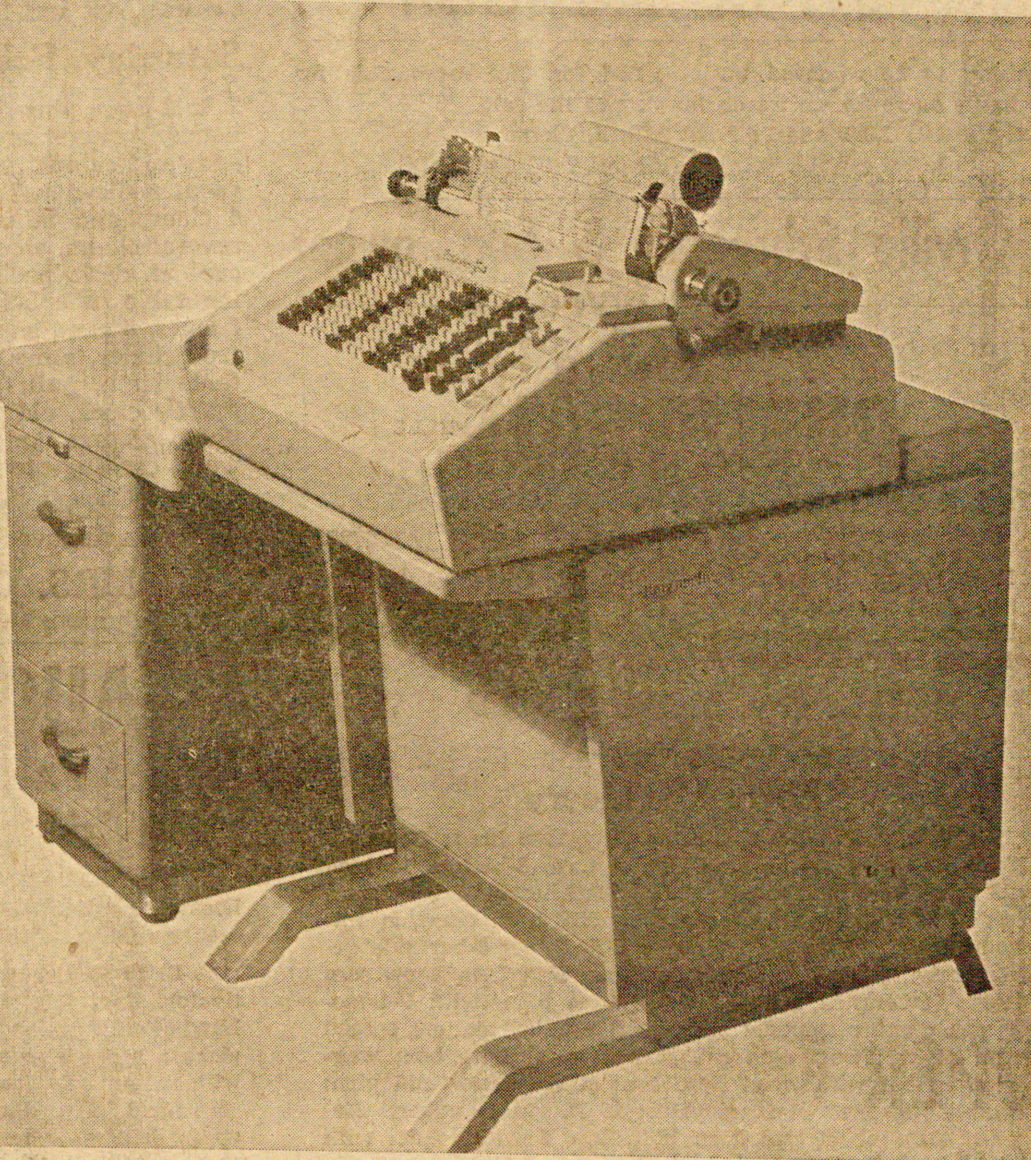

The pneumonia cure was simply this. One took a ball of cotton an inch in diameter; saturated it with grain alcohol; added three drops of chloroform; placed cotton ball between teeth of sufferer after having rubbed some vaseline on gums to prevent burning. Change frequently, the home doc advised, because the saliva has a tendency to dilute the alcohol.

The patient's duty was to take deep breaths so as to draw the alky fumes into the lungs. The procedure called for 15 minutes of this exercise, followed by 15 minutes rest. This was suggested by the prescriber that about 20 applications of this treatment would relax the patient, and he should be feeling no pain.

One seldom sees a "doctor book" these days. There are still thousands and thousands of amateur diagnosticians but they don't need old fashioned "doctor books". They can learn all about medicine, surgery and pharmacy now simply by reading magazines.

By perusing Coronet and The Readers Digest faithfully they can even keep ahead of the doctors.

Joliet High Holds Farm Training Institutional for Korean Vets

Max H. Kuster, vocational agriculture instructor at the Joliet Township high school, announces that any Korean veterans who are farming and who are eligible for training and subsistence can enroll now. To be eligible, the veteran must have been in active service, on or after June 27, 1950 and must have entered service not later than Jan. 31, 1955.

A veteran may enroll for farm training and subsistence twice each year: April 1st and Oct. 1st. If you plan to enroll April 1, 1959, all necessary papers should be in to Mr. Kuster at the vocational agriculture department, Joliet Township high school in advance of March 1.

Eligible Veteran.

1. A veteran may enroll not later than three years after separation from military service. This would mean that to be eligible to enroll on April 1, 1959, a veteran must have been honorably discharged April 1, 1956 or after.

2. Veteran must be self employed on a farm under his control.

a. This means the veteran must have a written lease, management agreement or own the farm.

b. This farm must be large enough to afford full time, year around employment.

Veterans Entitlement.

1. In most cases veterans get one and one-half days training for each day of service.

Subsistence Payment

1. For the first year but thereafter at a diminishing rate:

\$95 per month - no dependents

\$110 per month - 1 dependent

\$130 per month 3 or more dependents.

What a Veteran Must Do To Enroll.

1. Make an application to the Joliet Township high school by submitting:

a. Photostatic copy of discharge

b. Photostatic or certified copy of lease agreement

c. Proof of dependency if dependency is claimed.

This program of training and subsistence for Korean veteran farmers has been offered for five years by the Joliet Township high school under the direction of Max H. Kuster and Owen C. Maue.

There are now 17 Korean veterans enrolled.

To enroll, contact Max H. Kuster at Joliet Township high school or call 6-6144 or 3-6196.

Sandburg High Gets Charter in National Mathematics Fraternity

Carl Sandburg high school's mathematics department has been given a charter in the National High School and Junior Mathematics club, Mu Alpha Theta.

Mu Alpha Theta is an honorary society whose purpose is the promotion of scholarship in and enjoyment and understanding of mathematics. Formal initiation of the charter members will take place in May during the assembly held annually for initiation into the National Honor society.

The mathematics department selects members for the club on the basis of class work. Senior students must have at least two semesters of algebra, two semesters of geometry and one course in intermediate algebra to be eligible for the award. An average of B-plus or better is required for all math courses and all high school work must be done

with distinction.

Among the services available to members of the organization is a collection of problems for advanced students, library materials and suggestions for reference materials for a mathematics library and aid for advanced study in math.

The governing council of Mu Alpha Theta has such distinguished persons as Henry L. Adler of the University of California, Edward L. Walters of William Penn high school of York, Penn., John R. Mayor of the science teaching improvement program and Dr. R. B. Deal, official representative of the Mathematical Association of America as members.

Every time we hear a disc jockey playing the top 40 popular tunes, we get the shakes thinking what the bottom 40 must be like.

Lenten Services Held Each Week At St. John's

By KATHERINE HEISNER
Frankfort 5187

Lenten services are held each Wednesday evening in St. John's church at 8 o'clock with the Rev. Ernest Gander in charge.

The Senior Fellowship groups of St. John's church, North Peotone, will meet in the church this Friday at 8 p.m. The president, Milton Werner, will be in charge of the social evening.

The Woman's Guild of St. John's church will meet next Thursday afternoon in the church. Mrs. Reuben Schmidt will be in charge of the program. Mrs. Ray Sippel will review one of the study books. Hostesses will be Mrs. Norman Yunker, Mrs. Christian Asbrand and Mrs. Donald Wilye. Kenneth Bettenhausen, son of Mr. and Mrs. William C. Bettenhausen celebrated his sixth birthday anniversary last Tuesday afternoon when his mother entertained for him in their home. The little guests were Sally and Shirley Borms, Ricky and Dale Steinberg.

Betsy Bettenhausen and Carol Bratton and Micheal Daily both of Manhattan.

Linda Alton, 5-year-old daughter of Mr. and Mrs. Lloyd Alton, underwent a tonsillectomy last Monday in Silver Cross hospital.

A birthday party was given last Friday afternoon after school in the town hall in honor of Susan Bettenhausen, daughter of Mr. and Mrs. Lorne Bettenhausen, who celebrated her eighth birthday anniversary. There were about 35 first and second graders who attended. Mrs. Bettenhausen was assisted by Mrs. Raymond Bettenhausen.

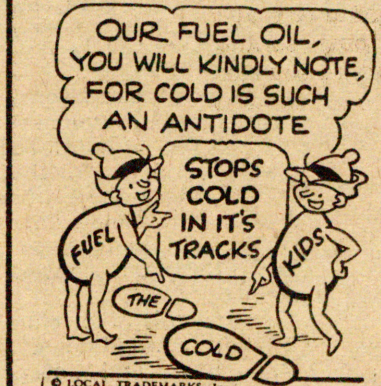

The PTA of the local grade school met last Friday evening in the town hall. Following the meeting, square dancing was enjoyed.

The Family Life Circle of the Methodist church will meet in the home of Mr. and Mrs. Kenneth Knickrehm in Peotone today.

Sat. 9 to 6;
Wednesday closed all day.

New Lenox FUEL KIDS

Got a cold right now? Well, our Fuel Oil is just what the doctor orders for a warm house and a healthy winter.

Now—the luxury of Electric Heating for New Home Buyers

Many new Electrically Heated Homes are open for inspection in the Chicago area now. These homes offer a new standard of comfort and convenience never before available.

An exciting new kind of comfort—the luxurious comfort of Electric Heating—is fast becoming the new standard of excellence to Chicago area home buyers. And Electric Heating offers so much more than conventional heating systems, that it's well worth the few extra dollars it costs to operate.

New cleanliness, new quietness, new comfort control

For example, new Radiant Electric Heating is just as clean as electric light! It uses no fuel, needs no chimney. There's no open flame, nothing burning, no smoke or soot to create dirt.

And Radiant Electric Heating gives you complete comfort control. Separate thermostats in each room let you "tune in" the exact degree of heat you need. You can keep the bathroom at 80°, while the living room is 72°, and the bedrooms are set for perfect sleeping comfort at 65°.

Electrically heated homes cost no more

A home with Radiant Electric Heating costs you no more than you'd pay for a home with conventional automatic heat. And you get far more insulation than you would get in the average new home—the equivalent of 6 inches in the ceiling, 4 inches in walls, 2 inches in the floor over unheated spaces.

And most important, upkeep is just a fraction of what you'd

pay to keep a conventional system in operation. Since Radiant Electric Heating has no moving parts, there's nothing to get out of order. Nothing to adjust, nothing to clean.

Year-round air conditioning

You can add air conditioning anytime you choose. Or, if you want air conditioning right away, you can have a home equipped with the wonderful new Electric Heat Pump. It's a single, compact unit that heats in winter, cools and dehumidifies the air in summer, filters and circulates the air to every room in your home the year round.

And just as with Radiant Electric Heating, there are no flames, no fumes. Nothing to escape, drip, leak, smell or boil over. Nothing to disturb your absolute peace of mind!

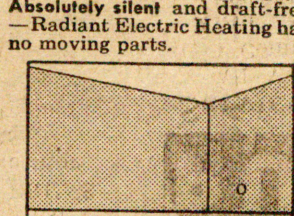

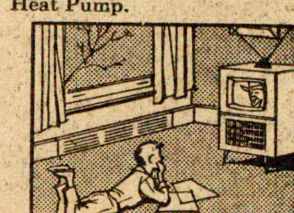

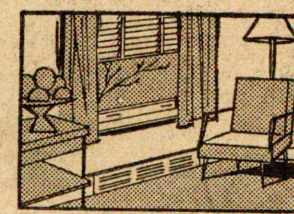

The new Electric Heating rate

A new Electric Heating rate (30% lower!) is offered homeowners who heat exclusively with electricity—putting this wonderful new form of heating well within the means of most new home buyers.

For full information on new electric Heating, call your nearest Commonwealth Edison or Public Service Company office.

Remember, electric heating is available now!

There's no waiting list and no permits are needed.
